what is a PARAGRAPH?

A paragraph is a group of sentences all about a topic.

Polar bears love cold weather. They live in the Arctic Circle where it is often freezing and there is a lot of ice. They have a thick layer of skin, called blubber, which keeps them warm in cold temperatures. They also have long hair which grows on the bottom of their feet to protect them from the cold. These are some of the reasons why polar bears love to live up in the arctic.
