

Uniform State Test (UST) Implementation Information

The Department will not be making available test materials, materials will not be used in the future and will be taken out of the secure testing process as is presently implemented and no release of specific content is currently planned. [Click here](#)

Overview

On April 1, 2018, NWEA is launching the Uniform State Test for UST. This is the first major change to NWEA's K-12 Test requirements since the NWEA K-12 tests were launched in July 2016.

This UST is a new addition to practice for the National Test. This new addition includes 10 questions which bring the length of the National Test Component with Uniform State Component. 10 questions, of which 5-10 are scored questions are added. This value brings the total length of the National Test to the length of the test component.

This UST includes test questions on their knowledge of high level state subject content that is used in the NWEA K-12 Test and the NWEA K-12 Test. School State Learning Objectives (SLOs) are used to implement the NWEA K-12 Test. This component also has the National Test Component with Uniform State Component, and the State-level UST testing information. [Click here](#)

This UST implements state-specific test components for the states that adopt it. Therefore, by passing the National with Uniform State Component as the State-level UST, a candidate receives the testing information for learning in the National Test, and also states that adopt it. Therefore,

As of July 1, 2018, 10 states will have approved the UST. These participating states approved the UST for participating UST as a learning state, but they are not required to do so. State agencies should consider to adopt the UST will continue to require questions to test participants who received state-specific test components. For a list of states approved that have adopted the UST, [click here](#) [UST Administration and Table](#)

Test Feature Chart

Item/Component	Item	Item Length	Component Length	Item Score
National Test Component with Uniform State Component	1-10 items	10-15 minutes	1-10 minutes	1-10
