

# TOPIC SENTENCE

## WHAT IS A TOPIC SENTENCE?

- Some might say that the topic sentence is one of the most important aspects and definitely the most vital sentence within a paragraph. In some cases, you might hear the topic sentence is referred to as the focus sentence but these are essentially the same thing.
- A topic sentence is used to summarise all of the information within a paragraph. When writing in a more formal style, the topic sentence will usually feature at the beginning of the paragraph, although this is not a set rule.

## WHAT IS A TOPIC SENTENCE USED FOR?

- A writer will use a topic sentence as a way of explaining to the audience what the paragraph is going to be about. Any

**The Meaning of Topic and Focus** Daniel Buring,2012-08-21 This study provides an illuminating and ground breaking account of the complex interaction of intonational phenomena semantics and pragmatics Based on examples from German and English and centred on an analysis of the fall rise intonation contour a semantic interpretation for two different pitch accents Focus and Topic is developed The cross sentence as well as the sentence internal semantic effects of these accents follow from the given treatment The account is based on Montogovian possible world semantics and Chomskian generative syntax *Sentences and Thinking* Norman Foerster,John Marcellus Steadman,1919 **ENGLISH WRITING**

**DEVELOPMENT** LIXIA WEI,2018-02-13 English Writing Development 4MAT Learning Style and Thinking Visualization Strategies is designed as an introductory course in English writing for students teachers and all those who consider writing is important and fun It is based on the author s own experience of teaching English writing to undergraduates who major in English and training students to participate in provincial and national English writing contests Instead of showing the skeleton of writing to readers directly the author integrates the 4MAT Process Approach that she has developed on the basis of the 4MAT learning style and the Process Approach into the design of the book aiming to increase learners motivation by answering why they should learn what they should learn how they should apply what they have learnt and what if the situation changes in each chapter With corpora news and students work as resources to collect sample sentences paragraphs and essays the author elaborates eight main aspects which are writing process writing a paragraph writing an essay methods of paragraph development types of clause types of sentence rhetorical devices paraphrase and summary English Writing Development 4MAT Learning Style and Thinking Visualization Strategies is not only the ideal English writing textbook for students at different levels but also functions equally well as a self tutoring textbook The simple reader friendly explanations coupled with interesting and meaningful examples figures tables and the checklists are of great help for the learners to make progress on their own Armed with the strategies elaborated in the book learners most probably will find that WRITING IS FUN **North Carolina Education** ,1912 **Current Issues in Mathematical Linguistics** C. Martín-Vide,2014-06-28

The present volume contains some selected topics of current interest around the world in the mathematical analysis of natural language The book is divided into four sections analytical algebraic models models from the theory of formal grammars and automata with interest mainly in syntax model theoretic concepts in semantics or pragmatics and a final section containing some applications in computational linguistics The varied perspectives illustrated in the book confirm that Mathematical Linguistics has finally introduced scientific methods into a previously fuzzy field through the use of mathematical reasoning The text will contribute to a fruitful convergence between linguists mathematicians logicians computer scientists cognitive scientists and others interested in the formal treatment of natural language and the research of its properties **The Humble Argument** Roy K. Humble,2023-04-01 The Humble Argument is so much more than a writing

textbook It gives you tools tips and tricks that actually explain what a writer does It doesn't sugarcoat the process or dumb down the very real challenges that entering a college writing space requires This book is more like a friend It's the kind of friend that will coach you through a tough time and encourage you and it will make you laugh while you go through it It's the kind of friend who holds your hair back when you're sick of writing and gives you the courage to try again Roy K Humble is the kind of writing teacher who understands the struggle of learning how to write arguments like a college student and doesn't just tell you what you want to hear His lessons here are profound but in the sense that they are delivered by someone who wants you to feel included in the conversation about what good college writing should be He writes to students in language they can understand without becoming English majors and with just enough humor to keep them reading He writes for faculty moving step by step through the unadorned guiding principles of effective formal writing so that faculty have a great framework on which to build their classes Perhaps most importantly Humble understands that the price of a book matters to students so his books are affordable From every perspective Humble gets it The Humble Argument has students covered on these important topics Understanding argument as an idea Grasping the stages of the writing process Organizing an argument around rhetorical principles Thinking for yourself as a college student Crafting a careful and clear thesis Gathering and synthesizing evidence to support a thesis Guiding readers through a thoughtful persuasive essay
