Women's Ways of Making Maureen Daly Goggin, Shirley K Rose, 2021-04-21 *Women's Ways of Making* draws attention to material practices those that the hands perform as three epistemologies an episteme a techne and a phronesis that together give pointed consideration to making as a rhetorical embodied endeavor Combined these epistemologies show that making is a form of knowing that episteme knowing how techne and wisdom making phronesis Since the Enlightenment embodied knowledge creation has been overlooked ignored or disparaged as inferior to other forms of expression or thinking that seem to leave the material world behind Privileging the hand over the eye as the work in this collection does thus problematizes the way in which the eye has been co-opted by thinkers as the mind's tool of investigation Contributors to this volume argue that other senses touch taste smell hearing are keys to knowing one's materials Only when all these ways of knowing are engaged can making be understood as a rhetorical practice In *Women's Ways of Making* contributors explore ideas of making that run the gamut from videos produced by beauty vloggers to zine production and art programs at women's correctional facilities Bringing together senior scholars new voices and a fresh take on material rhetoric this book will be of interest to a broad range of readers in composition and rhetoric Contributors Angela Clark Oates Jane L Donawerth Amanda Ellis Theresa M Evans Holly Fulton Babicke Bre Garrett Melissa Greene Magdelyn Hammong Helwig Linda Hanson Jackie Hoermann Christine Martorana Aurora Matzke Jill McCracken Karen S Neubauer Daneryl Nier Weber Sherry Rankins Roberson Kathleen J Ryan Rachael Ryerson Andrea Severson Lorin Shellenberger Carey Smitherman Clark Emily Standridge Charlese Trower Christy I Wenger Hui Wu Kathleen Blake Yancey

Religion and the Obligations of Citizenship Paul J. Weithman, 2002-08-15 In *Religion and the Obligations of Citizenship* Paul J. Weithman asks whether citizens in a liberal democracy may base their votes and their public political arguments on their religious beliefs Drawing on empirical studies of how religion actually functions in politics he challenges the standard view that citizens who

rely on religious reasons must be prepared to make good their arguments by appealing to reasons that are accessible to others He contends that churches contribute to democracy by enriching political debate and by facilitating political participation especially among the poor and minorities and as a consequence citizens acquire religiously based political views and diverse views of their own citizenship He concludes that the philosophical view which most defensibly accommodates this diversity is one that allows ordinary citizens to draw on the views their churches have formed when voting and offering public arguments for their political positions

The Fireside annual [afterw.] pictorial annual [formerly Our own fireside] conducted by C. Bullock Fireside pictorial annual, 1883 Every Short Story by Alasdair Gray 1951-2012

Alasdair Gray, 2012-11-15 Seventy three short tales from Gray's earlier books are here joined with sixteen new tales Droll

Plausible all the original illustrations with some new and endnotes to inform every curious reader Ethics and the Problem

of Evil Marilyn McCord Adams, John Hare, Linda Zagzebski, Laura Garcia, Bruce Russell, Stephen J. Wykstra, Stephen

Maitzen, 2017-02-27 Provocative essays that seek to turn the attention of analytic philosophy of religion on the problem of evil

towards advances in ethical theory Reading Religion The contributors to this book Marilyn McCord Adams John Hare Linda

Zagzebski Laura Garcia Bruce Russell Stephen Wykstra and Stephen Maitzen attended two University of Notre Dame

conferences in which they addressed the thesis that there are yet untapped resources in ethical theory for affecting a more

adequate solution to the problem of evil The problem of evil has been an extremely active area of study in the philosophy of

religion for many years Until now most sources have focused on logical metaphysical and epistemological issues leaving

moral questions as open territory With the resources of ethical theory firmly in hand this volume provides lively insight into

this ageless philosophical issue These essays and others will be of primary interest to scholars working in analytic philosophy

of religion from a self consciously Christian standpoint but its audience is not limited to such persons The book offers

illustrative examples of how scholars in philosophy of religion understand their aims and how they go about making their

arguments hopefully more work will follow this volume's lead Reading Religion Recommended Choice **A Valiant Woman**

Experience from the Best Contemporary Plays Roger Ellis, 2013-10-01 In this anthology theater expert Roger Ellis culls together dramatic scenes and monologues that all deal with spiritual experience From various religious and non religious perspectives the book explores various aspects of spirituality religious faith martyrdom death and afterlife fate and destiny mercy and romantic love The material comes from contemporary plays by some of the most gifted playwrights Arthur Miller Tony Kushner John Patrick Shanley John Pielmeier Tammy Ryan Elie Wiesel Karen Sunde and others Perfect for high school through college age students as well as for actors and general readers this volume contains nearly 100 scenes ranging from comic to serious grouped in five categories Scenes for a Man and a Woman Scenes for Two Women Scenes for Two Men Monologues for Women and Monologues for Men In addition to the monologues Ellis includes notes on staging to help actors and directors bring these scenes to life Some of the plays sourced for this anthology include *The Crucible* *Doubt* *In the Shape of a Woman* *Agnes of God* *Epic Proportions* *Our Lady of 121st Street* *Angels in America* and *Affection in Time* *A Nation of Women* Luisa Capetillo, 2021-09-14 The groundbreaking feminist and socialist writings of Puerto Rican author and activist Luisa Capetillo A Penguin Classic In 1915 Puerto Rican activist Luisa Capetillo was arrested and acquitted for being the first woman to wear men s trousers publicly While this act of gender nonconforming rebellion elevated her to feminist icon status in modern pop culture it also overshadowed the significant contributions she made to the women s movement and anarchist labor movements of the early twentieth century both in her native Puerto Rico and in the migrant labor belt in the eastern United States With the volume *A Nation of Women* Capetillo s socialist and feminist activism is given the spotlight it deserves with its inclusion of the first English translation of Capetillo s landmark *Mi opini n sobre las libertades derechos y deberes de la mujer* Originally published in Spanish in 1911 *Mi opini n* is considered by many to be the first feminist treatise in Puerto Rico and one of the first in Latin America and the Caribbean In concise prose Capetillo advocates a workers revolution forcefully demanding an end to the exploitation and subordination of workers and women Her essays challenge big business in favor of socialism call for legalizing divorce and the acceptance of free love in relationships and cover topics such as sexuality mental and physical health hygiene spirituality and nutrition At once a sharp critique and a celebration of the gathering fervor of world politics *A Nation of Women* embraces the humanistic thinking of the early twentieth century and envisions a world in which economic and social structures can be broken down allowing both the worker and the woman to be free *Antigone's Claim* Judith Butler, 2002-05-23 The celebrated author of *Gender Trouble* here redefines Antigone s legacy recovering her revolutionary significance and liberating it for a progressive feminism and sexual politics Butler s new interpretation does nothing less than reconceptualize the incest taboo in relation to kinship and open up the concept of kinship to cultural change Antigone the renowned insurgent from Sophocles s *Oedipus* has long been a feminist icon of defiance But what has remained unclear is whether she escapes from the forms of power that she opposes Antigone proves to be a more ambivalent figure for feminism than has been acknowledged since the form of defiance she exemplifies also leads

to her death Butler argues that Antigone represents a form of feminist and sexual agency that is fraught with risk Moreover Antigone shows how the constraints of normative kinship unfairly decide what will and will not be a livable life Butler explores the meaning of Antigone wondering what forms of kinship might have allowed her to live Along the way she considers the works of such philosophers as Hegel Lacan and Irigaray How she asks would psychoanalysis have been different if it had taken Antigone the postoeidipal subject rather than Oedipus as its point of departure If the incest taboo is reconceived so that it does not mandate heterosexuality as its solution what forms of sexual alliance and new kinship might be acknowledged as a result The book relates the courageous deeds of Antigone to the claims made by those whose relations are still not honored as those of proper kinship showing how a culture of normative heterosexuality obstructs our capacity to see what sexual freedom and political agency could be

Let Not Man Put Asunder Chris Christian,2016-12-09 This book presents a biblical and historical view of marriage divorce and remarriage to explore the heart of God on these subjects It is intended to provide critical insights needed for counselors to provide biblical based counseling for these difficult and challenging topics that lead to lifelong fulfilling marriage relationships Couples who are currently struggling in their marriage will find encouragement and direction for building strong and vibrant marriages Those that have been divorced will find reason to believe that God can restore and reconcile the broken marriage relationship better than it was in the beginning Those that have been remarried following a divorce will discover that they can find peace with God and now build a lifelong marriage that honors the vows made with the new spouse

Diversity in Architecture Jan Smitheram,Akari Nakai Kidd,2025-08-15 Diversity in Architecture Intersectionality Affective Politics and Creating Change explores diversity in architecture through an intersectional lens It examines how overlapping individual identities cultural ideologies and institutional practices shape the profession Divided into two parts this book first explores how values norms and ideologies are constructed circulated and reinforced through media representations both from without and from within The second leans into voices from academics and architects within spaces of education and practice who share their lived experiences navigating power structures and affective politics that marginalise diverse voices Considering praxis and actions to create change where care is central it asks what happens if we bring intersectionality to the picture of diversity in architecture through media education practice How can affective solidarity and relationality foster change What role does intersectional care play in dismantling systemic barriers and reimagining a more inclusive future Written in dialogue with and for architectural academics practitioners students as well as wider audiences invested in diversity this book opens its readers to the importance of mobilising diversity in architecture through intersectionality and affect towards lasting change

The Drowned City Jennifer Atkinson,2000 What happens when belief as artistic ambition as a lover s devotion as faith in divinity is met with a staggering indifference This is the question which Jennifer Atkinson s *The Drowned City* seeks variously to answer and to which the poems themselves finally elegantly unflinchingly become the only appropriate answer one that does

not offer closure to its questions so much as a means of fashioning a life inside them from the Foreword *Poetical Works*

Rooper Franz Wiedemann, 1883 Creating Connection Judith V. Jordan, Jon Carlson, 2014-05-01 Relational Cultural Therapy
RCT is developed to accurately address the relational experiences of persons in devalued cultural groups As a model it is
ideal for work with couples it encourages active participation in relationships fosters the well being of everyone involved and
acknowledges that we grow through and toward relationships throughout the lifespan Part and parcel with relationships is
the knowledge that whether intentionally or not we fail each other misunderstand each other and hurt each other causing an
oftentimes enduring disconnect This book helps readers understand the pain of disconnect and to use RCT to heal
relationships in a variety of settings including with heterosexual couples lesbian and gay couples and mixed race couples
Readers will note a blending of approaches person centered narrative systems and feminist theory all used to change the
cultural conditions that can contribute to problems unequal sometimes abusive power arrangements marginalization of
groups and rigid gender race and sexuality expectations Readers will learn to help minimize economic and power disparities
and encourage the growth of mutual empathy while looking at a variety of relational challenges such as parenting
stepfamilies sexuality and illness Polarities of you vs me will be replaced with the healing concept of us *Defining Visual*
Rhetorics Charles A. Hill, Marguerite Helmers, 2012-08-21 Images play an important role in developing consciousness and the
relationship of the self to its surroundings In this distinctive collection editors Charles A Hill and Marguerite Helmers
examine the connection between visual images and persuasion or how images act rhetorically upon viewers Chapters
included here highlight the differences and commonalities among a variety of projects identified as visual rhetoric leading to
a more precise definition of the term and its role in rhetorical studies Contributions to this volume consider a wide variety of
sites of image production from architecture to paintings from film to needlepoint in order to understand how images and
texts work upon readers as symbolic forms of representation Each chapter discusses analyzes and explains the visual aspect
of a particular subject and illustrates the ways in which messages and meaning are communicated visually The contributions
include work from rhetoric scholars in the English and communication disciplines and represent a variety of methodologies
theoretical textual analysis psychological research and cultural studies among others The editors seek to demonstrate that
every new turn in the study of rhetorical practices reveals more possibilities for discussion and that the recent turn to the
visual has revealed an inexhaustible supply of new questions problems and objects for investigation As a whole the chapters
presented here demonstrate the wide range of scholarship that is possible when a field begins to take seriously the analysis
of images as important cultural and rhetorical forces *Defining Visual Rhetorics* is appropriate for graduate or advanced
undergraduate courses in rhetoric English mass communication cultural studies technical communication and visual studies

It will also serve as an insightful resource for researchers scholars and educators interested in rhetoric cultural studies and communication studies The Question of the Aesthetic George Levine,2022 A multi authored volume of original essays by scholars in literary studies and philosophy on the question of the aesthetic in the current critical climate
