Comical Vacations Book 2 Maureen Reil, 2017-01-21
Comical Vacations 2 Three Book Bundle Contents
The Finch Family Holiday 3 It is that time of year again folks: yes, summer is here, so batten down the hatches because the Finch family are heading for Cornwall to stay in a holiday home by the sea with its own secluded beach. Sounds idyllic, sounds relaxing and sounds like a lot of fun in the sun, so one out of three is not bad since all is not what it seems and how is Kitty Finch supposed to chill out when there are certain people winding her up from start to finish? As extra members of the clan are joining them for the ten-day humorous adventure, sparks could fly if someone lit a match to ignite the tension, sexual or otherwise. There are days out to look forward to in Cornwall where the Finch family discover new things, try out new stuff and resort to old tricks when needed. Will Kitty's cousin get the better of her on this comical vacation? Will Kitty Finch be involved in any holiday romances or just watching from the sidelines as per usual? Will a cardboard figure and a knitted scarecrow survive the vacation to go on another one? So come along and catch up with the funny Finches as they show you what having a British family holiday is about.
The Finch Family Holiday 4 This year's Finch family holiday finds them flying off to France for ten days in the rural French countryside. Only Kitty Finch seems to spend her vacation time searching for something, whether it is a home for a pet, a handbag or a holiday romance. Not to mention the mystery man and his yellow socks that bring trouble her way. All whilst avoiding the unwanted advances of a certain somebody who does not know when to take no for an answer but should know better. As the Finch family comes across plenty of people to share their time with, including German neighbours, English expats and even a French farmer to name a few. One of the men Kitty meets is special enough to take her fancy for a French fling, so start reading this funny French farce to see if she succeeds despite the exes who are hijacking her holiday fun. Whether it comes to randy rabbits, randy monkeys or randy men, it is all part of the experience.
The Finch Family Holiday 5 Who wants to go on holiday when they are ill in bed? Kitty Finch does not, so she does

her best to get out of the annual family holiday but no her parents are having none of it so she is going to Turkey whether she likes it or not Since they will probably kidnap her if she does not comply and come willingly while she never imagined part of that sentence actually coming true on this trip Anyway they are soon off to the airport where her nightmares begin and not for the only time on this holiday does Kitty wish that she had stayed in bed and had not bothered getting up Not that she wants to appear ungrateful about going on a five day all inclusive package holiday in the sun during the school half term in October it is just that she will be face to face with her ex husband who she hasn t seen since the wedding fiasco and the less said about that the better Despite not feeling up to a holiday with the family it is not all doom and gloom for poor old Kitty because she does get to experience things in Turkey that she never would have had she not gone there and some aspects of it she even enjoys As this is what a British family holidaying abroad gets up to when left to their own devices Only do not expect this laugh out loud saga to end there because the funny Finches will be back for yet more shenanigans in the next book **The Homestead** ,1922 **Edge of Heaven (Crimson Edge, book 2)** Kat Mizera,2025-07-19 I have everything I ve ever wanted except the thing that matters most Her Rock and roll is my life Playing bass for Crimson Edge is the best job in the world Even when we re on tour with our musical arch enemies Until the woman I ve secretly been in love with for years starts dating one of them I can t stand the way he treats her and I don t know why she stays I can t get involved the band has too much to lose But I m going to anyway One way or another I m going to make her mine Author s note There are some difficult themes in this story For CW information please check this book s page on my website
