Global Adaptations of Community College Infrastructure Gaulee, Uttam, 2018-09-07 Community colleges in America have evolved a great deal from the establishment of the first community college in Chicago 117 years ago The idea of American community colleges serves as a catalyst for connective solutions between industry college and the community on a global level Global Adaptations of Community College Infrastructure provides emerging research on various contextual adaptations of the idea of the American community college as a connective solution to engaging community and industry This research will help any nation or state forge policies on adapting the concept toward democratization of economic opportunities for all individuals as opposed to the current elitist system of higher education Featuring coverage on a broad range of topics such as diploma pathway programs and the development of education institutions in various countries this book is ideally designed for academicians economic and educational policymakers higher education professionals and individuals engaged in expansion and democratization of post secondary education worldwide *Inyathi Ibuzwa Kwabaphambili* Babalwa Magoqwana, Siphokazi Magadla, Athambile Masola, 2024-10-21 This book seeks to create a systematic eclectic historical picture of the present and past women intellectuals activists artists and cultural custodians Using the concept of ukufukama incubate we connect intergenerational knowledge transfer of our elders to the current struggles faced by the younger generation of women We bring together different authors who engage the biographical and intellectual contributions of different African women and their imagination of the democratic South Africa Writing about the various feminist intellectual traditions between the 19th and 21st centuries this book systematically pulls together oral and creative texts to recover the memories of Nosuthu Jotelo Sarah Baartman Nontsizi Mqgqwetho Phyllis Ntantala Brigalia Bam Umntwana uMagogo Miriam Makeba Sibongile Khumalo Lebo Mathosa Thandiswa Mazwai Celeste Ntuli Nkosazana Dlamini Zuma Neo Mathabe among the lives and works covered here This range of voices shows that intellectual work is varied and has the ability to sit alongside each other It importantly shows that scholarship emerges through community and conversation which is to say feminist histories are created and recreated through conversations that care about women s voices stories and being in the world Ultimately we think of the women featured in this book as forming a lineage a tradition of black women s survival wisdom which facilitated change and enduring radical transformation that demands theorisation and celebration

Contemporary Issues on Governance, Conflict and Security in Africa Adeoye O. Akinola, 2023-05-25 This edited volume reflects on some of the important discussions on the trends of governance conflict and security in Africa It explores some of the emerging concerns and offers a holistic understanding of the remote and immediate causes of the conflict and how the neo colonial African states have been structured in a manner that makes violent conflict inevitable The book thereby provides an overview of Africa s security challenges and proffers some sustainable policy options for curtailing lawlessness and armed conflict on the continent Literature is exhaustive about the nexus between governance peace and security

however discourse on the impact of new conflict on governance has been scant Understanding these new trends has become a necessity and precondition for sustainable development as reflected in both the African Union AU Agenda 2063 and the United Nations UN Sustainable Development Goals SDGs
