The Urge Within Me Peter Knoester, 2018-12-18 My book consists of some analyses of my own person and the way i see the world through my experiences in every day life Having been raised in a religious environment has also given me an outlook on life and its pitfalls as well as the good things that came out of it Religion is the staple of most societies and each has a way of life to it and a promise for a heaven or a place that will give peace and an absence of any evil Where freedom reigns and happiness is around us like a coat Whether there are many ways to get there I can not say but I am sure that most people think that their way is the one and only way I will in no way dispute these facts because sitting in judgment over others is like walking in quicksand and in the end the results may still be the same

Christianity, Metaphor, and the Urge to Truth Barry Stephenson, 2025-09-22 Christianity Metaphor and the Urge to Truth explores the role of metaphor in Christian thought In it Barry Stephenson challenges the secularized consciousness that often dismisses symbolic thinking delving into foundational Christian concepts such as sin atonement Christology and divine violence through the lens of metaphor theory and philosophical anthropology Drawing on the insights of Hans Blumenberg the book invites readers to reengage with the enduring relevance of religious ideas in a way that transcends rigid literalism offering a nuanced approach to understanding Christianity in the modern world
