**Ancient and Indigenous Wisdom Traditions in the Americas** Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures histories and wisdom traditions With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures it includes unique contributions from scholars studying these questions in various contexts The book offers a range of important studies from various contexts across the Americas including Canada the various member nations of the Caribbean Community CARICOM Puerto Rico and the United States The various chapter contributions address and discuss nuances of each of the contexts under study The contributions also help highlight some key commonalities across these contexts including how dominant discourses and various forces have historically shaped and continue to shape and reproduce such omissions misrepresentations and marginalization In addition

to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures the book charts a path forward toward more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond It will appeal to scholars researchers undergraduate and graduate students with interests in Indigenous education curriculum studies citizenship education history of education religion and educational policy

**The Creation of Markets for Ecosystem Services in the United States** Mattijs van Maasakkers, 2016-11-01 The Creation of Markets for Ecosystem Services in the United States is a detailed analysis of the most advanced efforts to create markets for ecosystem services in the United States With the help of in depth case studies of three well known attempts to create such markets in the Chesapeake Bay watershed the Ohio River basin and the Willamette River basin the book explains why very few of these markets have actually succeeded even after close to two decades of much scholarly enthusiasm significant federal funding and concerted efforts by NGOs government agencies and private businesses Based on interviews policy analysis and participatory observation three features of markets for ecosystem services emerge as particularly problematic First the logic of displacement or the idea that particular elements of an ecosystem can be separated and traded across landscapes or watersheds runs counter to political interests environmental beliefs and people s connections to specific places The second problem is that of measurement Quantification methods embed a range of often contentious assumptions and decisions about what counts when restoring ecosystems The third problem is related to participation in environmental decision making

Jewish Inclusion in Ethnic Studies Education Daniel Ian Rubin, 2025-08-01 The function of ethnic studies education in K 12 schools remains a deeply contentious issue within the U S Often based on university ethnic studies courses its focus on the lived experiences of Black Latino Indigenous and Asian Pacific Islander communities is predictably the target of much conservative commentary leaving its disregard for the lives of American Jews underexplored Focusing on how this absence correlates with the rising spate of antisemitism within the U S Jewish Inclusion in Ethnic Studies Education provides a clarifying re examination of the current issues and oversights affecting ethnic studies teaching In doing so Daniel Ian Rubin illuminates the possibilities a reformed ethnic studies program offers for eliminating antisemitism among the next generation

In Lady Liberty's Shadow Robyn Magalit Rodriguez, 2017-06-22 Home to Ellis Island New Jersey has been the first stop for many immigrant groups for well over a century Yet in this highly diverse state some of the most anti immigrant policies in the nation are being tested American suburbs are home to increasing numbers of first and second generation immigrants who may actually be bypassing the city to settle directly into the neighborhoods that their predecessors have already begun to plant roots in a trajectory that leads to nativist ordinances and other forms of xenophobia In Lady Liberty s Shadow examines popular white perceptions of danger represented by immigrants and their children as well the specter that lurks at the edges of suburbs in the shape of black and Latino urban underclasses and the ever more nebulous hazard of presumed Islamic terrorism that threatening to undermine

life as we know it Robyn Magalit Rodriguez explores the impact of anti immigrant municipal ordinances on a range of immigrant groups living in varied suburban communities from undocumented Latinos in predominantly white suburbs to long established Asian immigrants in majority minority suburbs The American Dream that suburban life is supposed to represent is shown to rest on a racialized segregated social order meant to be enjoyed only by whites Although it is a case study of New Jersey In Lady Liberty s Shadow offers crucial insights that can shed fresh light on the national immigration debate For more information go to <https://www.facebook.com/inlibertysshadow> Rivers of North America Michael D.
