The Lazarus Rumba Ernesto Mestre, 2015-01-27 A modern tale rooted in recent historical events but filtered through a patiently unfolding storytelling style that pays homage to The Arabian Nights The Lazarus Rumba is a stunning literary debut a virtuoso performance like no other Latino writer has ever produced This extraordinary ambitious novel sets out to portray the spiritual landscape of the Cuban people in the wake of Castro s revolutionary upheaval Like Cervantes Don Quixote The Lazarus Rumba describes a country best by social dislocation and personal confusion a country whose soul is best captured by a lush magic realism woven from innumerable tales tales told contrapuntally in voices both melancholy and lively lyrical and coarse delicate and grotesque As intensely political as Manuel Puig s Kiss Of The Spider Woman or Milan Kundera s The Book Of Laughter And Forgetting The Lazarus Rumba centers around three generations of women in the Lucientes family and follows the story of Alicia Lucientes as she almost inadvertently becomes the most famous dissident on the Island

Shame and Pride Donald L. Nathanson, 1994 This is a revolutionary book about the nature of emotion about the way emotions are triggered in our private moments in our relations with others and by our biology Drawing on every theme of the modern life sciences Dr Nathanson shows how the nine basic affects interest excitement enjoyment joy surprise startle fear terror distress anguish anger rage disgust and shame humiliation not only determine how we feel but shape our very sense of self For too long there has been a battle between those who explain emotional discomfort on the basis of lived experience and those who blame chemistry As Dr Nathanson shows chemicals and illnesses can affect our mood just as surely as an uncomfortable memory or a stern rebuke He presents a completely new understanding of all emotion providing the first link between the exciting affect theory of Silvan Tomkins and the entire world of biology medicine psychology psychotherapy religion and the social sciences Shame is the least understood of the painful emotions although it affects every phase of life We have all been made to feel foolish just at the moment we most wanted to appear wonderful we have all been rebuffed by those we wished to court Not one of us looks exactly as we might wish Shame haunts our every dream of love and influences how we experience ourselves as sexual beings We react to shame by withdrawing by making painful alliances with those who humiliate us by calling attention to what brings us pride or by attacking whoever has made us feel inferior The comedian as Nathanson shows in his discussion of Buddy Hackett makes us laugh at what we try to keep hidden transforming shame into acceptance and even pride This book explains everything that can possibly make us proud or ashamed All are in this book nobody who reads it will be quite the same again

Jews, God, and Videotape Jeffrey Shandler, 2009-04-01 A pioneering examination of the impact of new communications technologies and media practices on the religious life of American Jewry Engaging media has been an ongoing issue for American Jews as it has been for other religious communities in the United States for several generations Shandler s examples range from early recordings of cantorial music to Hasidic outreach on the Internet In between he

explores mid twentieth century ecumenical radio and television broadcasting video documentation of life cycle rituals museum displays and tourist practices as means for engaging the Holocaust as a moral touchstone and the role of mass produced material culture in Jews responses to the American celebration of Christmas Shandler argues that the impact of these and other media on American Judaism is varied and extensive they have challenged the role of clergy and transformed the nature of ritual facilitated innovations in religious practice and scholarship as well as efforts to maintain traditional observance and teachings created venues for outreach both to enhance relationships with non Jewish neighbors and to promote greater religiosity among Jews even redefined the notion of what might constitute a Jewish religious community or spiritual experience As Jews God and Videotape demonstrates American Jews experiences are emblematic of how religious communities engagements with new media have become central to defining religiosity in the modern age **Black Magic**

Reconstructing Sexual Ethics Eady Jay,2025-10-01 Deconstructing purity culture and reconstructing sexual ethics is essential to the survival of the Christian religion When statistics tell us that approximately 90% of Americans have premarital sex and 87% of Australians believe premarital sex is morally acceptable why do many Christian organizations still promote purity culture It clearly does not work If we are going to talk about healthy sexual expression loving relationships and how to navigate consent we need to do so realistically Reconstructing Sexual Ethics opens up deeply honest and authentic conversations around topics like masturbation pornography consent rape contraception abortion homophobia and queer affirmation exploring how the author has evolved in these and many other areas and challenging the church to do the same Part memoir and part manifesto this book reframes Christian sexual ethics in profoundly important ways elevating the love and grace of God above Evangelical purity culture It has the power to radically transform conversations around various aspects of our sexuality within the Christian religion and broader society Endorsements Reconstructing Sexual Ethics is a courageous compassionate and deeply needed work With honesty theological depth and a commitment to love and justice Eady Jay dismantles harmful purity culture teachings and charts a healthier grace filled path forward This book gives voice to those who have long wrestled with shame and silence and it offers a vision of sexuality that is life giving liberating and faithful Rev Brandan Robertson author of Queer Christian Reclaiming the Bible our Faith and our Place at the Table Eady Jay goes there She transparently and bravely deconstructs and breaks down the oppressive forces of puritanical culture that she was raised with and that are still embedded in mainstream culture today You may or may not agree with everything she has

written but we are all better for it Why Because exploring the relationship between faith and sexuality serves to liberate us from centuries of our joy being suppressed and our sexuality being oppressed She writes with abundant grace keen insights and a clear heart for Christ aiming to reform our relationship with our bodies one another and God I have no doubt that her words will illuminate others on a similar journey Chantal McKinney author of Following Jesus Beyond Church Walls This is a book I have always wanted to write and Eady Jay has done it better Gripping accessible and humble in its wrestling with the Scripture tradition and ordinary life her story welcomes readers across the spectrum of faith and sexuality to find inspiration challenge and even affirming echoes of their own experiences Vulnerability and courage write themselves across every page in the unanswered questions honest explorations and uncertain steps that define a journey we all face in learning how to more fully embody the truth we see about God in our diverse expressions of sexuality Dr Kevin Jenson theologian and author of Sacred not Sinful A New Christian Ethic Reconstructing Sexual Ethics is a refreshingly frank yet deeply pastoral reimagining of Christian sexual ethics It affirms the essential dynamics of queerness gender equity and consent offering clarity and compassion for those seeking a more just and loving vision of sexuality Alongside other voices that deepen intersectionality and expand its scope it is an important and thought provoking resource that I highly recommend Jamie Arpin Ricci founder of The Rainbow Well Eady Jay has given us something remarkable in Reconstructing Sexual Ethics With honesty and courage she speaks directly to those who have deconstructed some or all of their faith weaving together deeply personal stories with a thoughtful and robust theological vision The result is an invitation into a sexual ethic free from the harmful rhetoric of purity culture and grounded instead in freedom dignity and grace Jessica Vanderwyngaard Producer of I Survived I Kissed Dating Goodbye and the Where Do We Go From Here Podcast **Ms. Magazine** Gloria Steinem,Robin Morgan,Joanne Edgar,Patricia Theresa Carbine,Nina Finkelstein,Letty Cottin Pogrebin,1977 **Catalog of Copyright Entries** Library of Congress.
