Clarke,2018-01-15 Peter Silverlos Livingston was born before World War II and would be considered a traditionalist in today s jargon There is an old saying You can take the kid out of Brooklyn but you can t take Brooklyn out of the kid As a young kid growing up in Brooklyn New York Peter had the opportunity of being involved in many activities as a young boy Brooklyn was the most populated of the five boroughs of New York City with over 3 million people of mostly European extraction including many other ethnic races from all over the world during World War II New York City was and still is the biggest city in the country There were more combat troops from Brooklyn than any other area in the country Over three thousand died in World War II The average age of those who fought and died in WWII was 26 years old Believe It or not the average age of those who fought and died in Vietnam was 19 years old Also Marine casualties in Viet Nam totaled over 13 thousand The Viet Nam war was one of the longest U S conflicts to date totaling ten years from 1965 to 1975 but the U S had advisors there for a number of years even before 1965 Over 58 000 U S troops died in Viet Nam and some are still Missing In Action MIA s like the great track and field star Cliff Cushman He was from the University of Kansas and was a silver medalist in the Olympics and a track buddy of Pete s He flew an Air Force jet when he went missing The Viet Nam Veterans Memorial wall in Washington D C is a long black slab marble wall dedicated to all the fallen warriors and those that served and fought in Viet Nam including those who are still MIA Each of the soldiers names are inscribed on it in chronological order based on the date they died and served This honor has been bestowed on all these veterans who courageously fought in the Viet Nam war conflict as remembered by the United States which dedicated the building of this wall in their honor The monument s importance and

significance is a symbol for all peoples in the United States and future generations to remember the sacrifice these veterans undertook regarding this conflict

Spitz and Fisher's Medicolegal Investigation of Death Werner U. Spitz, Francisco J. Diaz, 2020-07-20 This is not just a new edition but a different book emphasizing trauma and wound analysis The addition of a new co editor Dr Francisco J Diaz has brought new ideas to this fifth edition A chapter by Doctor Jan Leetsma world renowned neuropathologist has also been included Doctor Leetsma s vast experience in forensic neuropathology will certainly enhance this book Several chapters have been eliminated that are no longer applicable or which are adequately covered in other publications Over time in the past 48 years since this book was first published Medicolegal Investigation of Death has been dubbed the Bible of Forensic Pathology The fifth edition includes over 600 case reports and hundreds of color photographs The cases are from files the authors have personally handled According to author Spitz We have found many times analysis of small wounds will lead to understanding of a giant case like the case in Hawaii where a body was found under a full size van with a thread mark on the cheek consistent with having been hit with a black pipe used for gas lines that were found in a bucket in the rear of the van As it turned out this was a murder not an accident The book is full of such cases This book will help you understand the details of injuries and how a person was injured and how they died and how these injuries perhaps at first blush possibly seemingly insignificant can shed new light on a case Medicolegal Investigation of Death now embraces not just basic forensic pathology but also includes death during restraint conscious pain and suffering and new concepts related to the interpretation of injuries by detailed wound analysis The continued use of simple non technical terminology makes this book a truly unique treatise and source of information
