Not a Choice, Not a Job JANICE G. RAYMOND, 2013-07-15 A generation ago most people did not know how ubiquitous and grave human trafficking was Now many people agree that the 35 7 billion business is an appalling violation of human rights But when confronted with prostitution many people experience an odd disconnect because prostitution is shrouded in myths among them the claims that prostitution is inevitable and prostitution is a job or service like any other In Not a Choice Not a Job Janice Raymond challenges both the myths and their perpetrators Raymond demonstrates that prostitution is not sex but sexual exploitation and that legalizing and decriminalizing the system of prostitution as opposed to the prostituted women promotes sex trafficking expands the sex industry and invites organized crime Specifically Raymond exposes how legalized prostitution in the Netherlands Germany Australia and Nevada worsens crime and endangers women In contrast she reveals when governments work to prevent the demand for prostitution by prosecuting pimps brothels and prostitution users as in Norway Sweden and Iceland trafficking does not increase women are better protected and fewer men buy sex Raymond expands the boundaries of scholarship in women s studies making this book indispensable to human rights
