Fox,2014-08-15 Includes 78 photos and 16 maps charts This book explores the unique problem of defending air bases during the Vietnam War It centers on the primary efforts of the United States Air Force and allied air units to defend 10 key air bases within the Republic of Vietnam Bien Hoa on 1 November 1964 was the first base to be attacked and until the cease fire in January 1973 these bases suffered a total of 475 attacks Although there were initial deficiencies in staff support for base defense in such key areas as intelligence motor vehicles weapons procurement and maintenance communications and civil engineering significant improvements had been made by the end of the Air Force s part in the war The author Lt Col Roger P Fox USAF Ret wrote this volume while assigned to the Office of Air Force History He brings judgments to his research based on his personal experience as a base security officer during the conflict Thus early on the morning of 4 December 1966 he rallied Air Force and South Vietnamese security forces to repel an enemy attempt to penetrate Tan Son Nhut Air Base the center of Air Force operations in South Vietnam For his gallantry in action on this occasion he was awarded the Silver Star This personal experience formed a foundation upon which he developed a keen insight into exploring the entire spectrum of air base defense and upon which he has built a strong case for testing future plans and operations      **Air University Library Index to Military Periodicals** ,1989      *Numerical Index of Standard and Recurring Air Force Publications* United States. presenting definitions and explanations in a user friendly and accessible way This is an essential tool for anyone who works with federal government information     Air University Abstracts of Research Reports ,1986     *Guide to the Evaluation of Educational Experiences in the Armed Services: Coast Guard, Marine Corps, Navy, Department of Defense* American Council on Education,1978     Air Force Journal of Logistics ,1990     AF Manual United States.
