Disability and Sexuality in Zimbabwe Christine Peta, 2017-10-25

Disabled women represent one of the most marginalised minority groups in the world hence they are largely silent while their sexuality is ignored suppressed forbidden and buried underneath the carpet Until recently most of the Global Northern published literature on the subject of the sexuality of disabled women has predominantly been constructed from hearsay and second hand narratives in studies which draw from the perspectives of parents service providers and advocates without much consultation of the relevant women By facilitating the voice of disabled women in Zimbabwe and illuminating their experiences of sexuality this book hopes to shift the experiences of sexuality of disabled women from the periphery of society to the fore *Disability and Sexuality in Zimbabwe* presents original research on an issue that is thus far not found in local research data Whilst addressing the paucity of literature on the subject the book informs policy and practice and enhances the existing body of knowledge by making recommendations towards the development of a disability and sexuality framework that is rooted in the African context This book is of interest to students and scholars of African studies disability studies sociology psychology social work nursing education studies geography women s and gender studies and interdisciplinary studies Additional audiences include a wide range of health social care and educational professionals and practitioners as well donors disabled people s organisations charities government departments NGOs supranational organisations and policy makers

South African Foreign Policy David R Black, David Hornsby, 2018-04-19 This book considers the identity direction and intentions embodied in post apartheid South African Foreign Policy It aims to deepen the understanding of this evolving post apartheid foreign policy through an exploration of the nature and trajectory of key bilateral relationships from both the global South Brazil China Iran the AU and North Japan and the UK This window on the country s international relations enriches understanding of the normative and structural factors that influence not only South African foreign policy but those of what Jordaan 2003 calls emerging middle powers as they seek to position themselves as influential actors in international affairs By sketching the contours of key South African relationships the contributors offer illuminating insights into the cross pressures shaping South African foreign policy In addition they also add depth to the emerging middle power concept by exploring four areas where the tendencies and tensions of emerging middle power foreign policies are apparent regionalism multilateralism reform of global governance and approach to moral leadership This book was previously published as a special issue of *Commonwealth and Comparative Politics*

The Overthrow of Robert Mugabe Blessing-Miles Tendi, 2025-01-21 *The Overthrow of Robert Mugabe Gender Coups and Diplomats* argues the 2017 coup that ousted long time Zimbabwean president Robert Gabriel Mugabe and the generality of coups cannot be accurately and rigorously understood without examining the crucial role of gender and women s politics in military seizures of power Tendi s book

shows that gender and women's politics pervade military coup causes dynamics justifications and international responses to coups Contrary to influential representations of Zimbabwe's 2017 coup and other recent coups as markedly different from past coups Tendi draws on long gendered histories of military coups in Africa to argue that there are significant continuities in coup characteristics across time Additionally Tendi's highly original study of Zimbabwe's 2017 coup identifies the motives dynamics and trigger of the coup Despite the existence of an international anti coup norm and democracy promotion in Africa by Western states Zimbabwean coup makers direct intervention in politics was largely not publicly condemned or penalized by Western and African diplomats Tendi uses original interviews with diplomats and politicians involved in external responses to the coup to address this important puzzle

African Transnational Diasporas D. Pasura, 2014-05-19 Pasura proposes a framework for understanding African diasporas as core epistemic dormant and silent diasporas The book explores the origin formation and performance of the Zimbabwean transnational diaspora in Britain and examines how the diaspora is constituted in the hostland and how it maintains connections with the homeland

Religious Leaders and the Regime in the Second Republic of Zimbabwe Bekithemba Dube, 2023-05-30 Religious Leaders and the Regime in the Second Republic of Zimbabwe looks at the nexus of religion and politics in Zimbabwe Religious leaders and institutes are discussed as either regime enablers resistors or transformers This book focuses on how religion has played a role in thwarting democracy and has acted as a machine to silence dissenting voices repression and poor governance The book addresses religious figures such as Andrew Wutawunashe Talent Chiwenga Bishop Mutendi and Mapostori In discussing these figures the book highlights how ZANU PF has taken advantage of religious power to thwart democracy while rewarding regime enablers The book also discusses the road to 2023 Zimbabwean elections and highlights the role of the church in creating an enabling and catastrophic environment This book challenges oppressive systems perpetrated by religious leaders and politicians

African Women, ICT and Neoliberal Politics Assata Zerai, 2018-09-28 How can we promote people centered governance in Africa Cell phones information and communications technology ICT are shown to be linked to neoliberal understandings of more democratic governance structures defined by the Worldwide Governance Indicators as the rule of law corruption control regulation quality government effectiveness political stability no violence and voice and accountability However these indicators fall short they do not emphasize gender equity or pro poor policies Writing from an African feminist scholar activist perspective Assata Zerai emphasizes the voices of women in two ways 1 she examines how women's access to ICT makes a difference to the success of people centered governance structures and 2 she demonstrates how African women's scholarship too often marginalized must be used to expand and redefine the goals and indicators of democratic governance in African countries Challenging the status quo that praises the contributions of cell phones to the diffusion of knowledge and resultant better governance in Africa this book is an important read for scholars of politics and technology gender and politics and African Studies
