Excerpt from The Apostolic Age Its Life Doctrine Worship and Polity The late appearance of this volume in the series to which it belongs calls for a word of explanation It is scarcely two years since the death of Bishop A C Coxe of Western New York who had already put his hand to the work led to the task being transferred to the present writer Under these circumstances he hopes that the original subscribers will not grudge the time taken in carrying through amid other duties the needful studies and reducing the results to something like unity How far this volume may deserve its place in a series of popular monographs its author is hardly able to judge But he has at any rate tried to avoid abstract or artificial grouping and to describe the concrete life of the Apostolic Age as it manifested itself now here now there at the points of greatest activity In this way the emphasis and perspective of the facts whether of the Church's constitution fundamental polity doctrine worship or social and spiritual life seem to have the best chance of telling on the mind directly and in their own right Only in three chapters at the end has a formal attempt been made to systematize some of the facts already presented for the most part in their own proper contexts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Apostolic Age** George B. Caird,1974 The Apostolic Age of the Christian Church Carl Weizsäcker,1894 **The Apostolic Age of the Christian Church** Karl Heinrich von Weizsäcker,1895 *The Apostolic Age* ,1898* **The Apostolic Age** Ernst von Dobschütz,1909
