Zimbabwe Journal of Educational Research ,2005 **The World of Science Education** Femi S. Otulaja,Meshach B. Ogunniyi,2017-09-12 Each volume in the 7 volume series *The World of Science Education* reviews research in a key region of the world These regions include North America South and Latin America Asia Australia and New

Zealand Europe and Israel North Africa and the Middle East and Sub Saharan Africa The focus of this Handbook is on research in science education in mostly former British colonies in Sub Saharan Africa and the scholarship that most closely support this program The reviews of the research situate what has been accomplished within a given field in Sub Saharan Africa rather than an international context The purpose therefore is to articulate and exhibit regional networks and trends that produced specific forms of science education The thrust lies in identifying the roots of research programs and sketching trajectories focusing the changing face of problems and solutions within regional contexts The approach allows readers to review what has been done and accomplished what is missing and what might be done next Handbook on Social Protection and Social Development in the Global South Leila Patel,Sophie Plagerson,Isaac Chinyoka,2023-09-06 This cutting edge Handbook argues for social protection to be situated in a wider system of social welfare and development programmes for low and middle income countries Focusing on the role of citizens and communities in enhancing human development it explores how welfare systems are unfolding in diverse contexts across the global South *Zimbabwe Human Rights Bulletin* ,2003 **Education in Southern Africa** Clive Harber,2013-09-12 Education in Southern Africa is a comprehensive critical reference guide to education in the region With chapters written by an international team of leading regional education experts the book explores the education systems of each country in the region With chapters covering Botswana Lesotho Madagascar Mozambique Namibia South Africa Swaziland and Zimbabwe the book critically examines the development of education provision in each country as well as local and global contexts Including a comparative introduction to the issues facing education in the region as a whole and guides to available online datasets this handbook will be an essential reference for researchers scholars international agencies and policy makers at all levels **Global Perspectives on Teacher Performance Improvement** Al-Mahdi, Osama,Purinton, Ted,2022-02-04 In service teacher professional development is central to most empirical conceptions of educational quality As the techniques and strategies for educational reform have spread rapidly throughout the world teacher professional development practices have been borrowed across borders It is important to study the global sharing of information on teacher professional development Global Perspectives on Teacher Performance Improvement examines the implementation of proven high quality teacher professional development practices in unique environments around the world It further explains the power of a globally connected community of teacher quality improvement Covering topics such as mentoring programs education technology and education workforce this book is an essential resource for educational administration and faculty pre service teachers the public education sector government officials educators of both K 12 and higher education researchers and academicians *Zimbabwe* Brian Raftopoulos,Tyrone Savage,2004 The author is from the Institute of Development Studies at the University of Zimbabwe He examines the paradox ensuing from the Lancaster House Settlement at Zimbabwe's independence that whilst colonial rule was ended the framework was provided for continued white privilege on the basis of control of the economy by this elite and through them

transnational capital He analyses the responses of the ruling including official elite the black petty bourgeoisie and the group associated with the former Rhodesian Front

Restoring the Educational Dream. Rethinking Educational Transformation in Zimbabwe Shizha, Edward, 2013-12-07 The role of education in human well being and social development cannot be overestimated After a number of highly commendable policies on education in the first decade of independence the education system in Zimbabwe has taken a tumble that needs both examining and rectifying This volume analyses the challenges facing the education system in Zimbabwe and explores and scrutinises theoretical and practical possibilities for restoring the educational dream that was initiated at independence in 1980 The book is targeted at academics scholars college and university students policy makers and other stakeholders and advocates a multi pronged approach that must involve all stakeholders if educational retransformation reconstruction and restoration are to be achieved The authors provide a range of recommendations for a project that would restore the educational dream in Zimbabwe

Implementing Deeper Learning and 21st Century Education Reforms Fernando M. Reimers, 2020-11-04 This open access book is a comparative analysis of recent large scale education reforms that broadened curriculum goals to better prepare students for the 21st century The book examines what governments actually do when they broaden curriculum goals with attention to the details of implementation To this end the book examines system level reforms in six countries at various levels of development The study includes system level reforms in jurisdictions where students achieve high levels in international assessments of basic literacies such as Singapore and Ontario Canada as well as in nations where students achieve much lower levels such as Kenya Mexico Punjab Pakistan and Zimbabwe The chapters examine system level reforms that focus on strengthening the capacity to teach the basics as in Ontario and Pakistan as well as reforms that aim at building the capacity to teach a much broader set of competencies and skills such as Kenya Mexico Singapore and Zimbabwe The volume includes systems at very different levels of spending per student and reforms at various points in the cycle of policy implementation some just starting some struggling to survive a governmental transition and others that have been in place for an extended period of time From the comparative study of these reforms we aim to provide an understanding of how to build the capacity of education systems to teach 21st century skills at scale in diverse settings

Handbook of Research on Inequities in Online Education During Global Crises Kyei-Blankson, Lydia, Blankson, Joseph, Ntuli, Esther, 2021-05-07 In response to the COVID 19 pandemic many educational institutions implemented social distancing interventions such as initiating closure developing plans for employees to work remotely and transitioning teaching and learning from face to face classrooms to online environments The abrupt switch to online teaching and learning for the most part has been a massive change for administration faculty and students at traditional brick and mortar universities and colleges as concerns regarding the pedagogical soundness of this mode of delivery remain among some stakeholders Not only that but the switch has also revealed the inequities in the system when it comes to the types of

students universities serve It is important as institutions move forward with online instruction that consideration be made about all students and what policies and strategies need to be put into place to help support and meet the needs of all constituents now or when unprecedented situations arise The only way this can be done is by documenting the experiences through the eyes of faculty who were at the frontline of providing instruction and advising services to students The Handbook of Research on Inequities in Online Education During Global Crises brings to light the struggles faculty and students faced as they were required to switch to online education during the global COVID 19 health crisis This crisis has revealed inequities in the educational system as well as the specific effects of inequities when it comes to learning online and the chapters in this book provide information to help institutions be better prepared for online education or remote learning in the future While highlighting topics such as new educational trends remote instruction diversity in education and teaching and learning in a pandemic this book is ideal for in service and preservice teachers administrators teacher educators practitioners stakeholders researchers academicians and students interested in the inequalities within the educational systems and the new policies and strategies put in place with online education to combat these issues and support the needs of all diverse student populations

School Science Practical Work in Africa Umesh Ramnarain, 2020-06-01 School Science Practical Work in Africa presents the scope of research and practice of science practical work in African schools It brings together prominent science educators and researchers from Africa to share their experience and findings on pedagogical innovations and research informed practices on school science practical work The book highlights trends and patterns in the enactment and role of practical work across African countries Practical work is regarded as intrinsic to science teaching and learning and the form of practical work that is strongly advocated is inquiry based learning which signals a definite paradigm shift from the traditional teacher dominated to a learner centered approach The book provides empirical research on approaches to practical work contextual factors in the enactment of practical work and professional development in teaching practical work This book will be of great interest to academics researchers and post graduate students in the fields of science education and educational policy

Beyond the Enclave Godfrey Kanyenze, Timothy Kondo, 2011-07-26 Beyond the Enclave sets out to unravel the contradiction of a country Zimbabwe where a rich diverse resource base co exists with endemic poverty One reason lies in the colonial economy which was predicated on an ideology of white supremacy creating an enclave formal economy employing one fifth of the labour force Yet over three decades after independence the non formal segment has become even more entrenched This book assesses Zimbabwes economy through three main phases 1980 90 when a strong social policy framework proved difficult to sustain due to erratic growth and 1991 96 when structural adjustment demanded a market driven approach to development The third phase is characterized by crisis management leading to policy inconsistencies and reversals Not surprisingly such incoherence saw the economy descend into hyperinflation and paralysis in 2007 2008 leading to the signing of the Global Political Agreement in September 2008 In the absence of formal

dollarization economic recovery after the adoption of the multi currency regime has remained fragile leaving an estimated 70 per cent of the population outside the banking system This has further entrenched uneven enclave growth as the economy remains locked in a low income poverty trap There is a need to facilitate transition towards formality to promote decent jobs Furthermore a strategic developmental role for the state in the economy is now widely recognized as vital for development Beyond the Enclave argues for a new approach to development in Zimbabwe based on pro poor and inclusive strategies which will contribute to the well being of all of its citizens and wise stewardship of its resources It offers suggestions on policy formulation implementation monitoring and evaluation in all sectors designed to promote inclusive growth and humane development

Pursuit of the Elusive Dream Lawrence D Moyo,2023-05-16 Anyone interested in the history of Zimbabwe will love this memoir by Lawrence D Moyo It traces the tumultuous events of the First Chimurenga of 1896 through independence from Great Britain in 1980 until the present day He vividly describes his childhood struggles as the son of a father who abuses his children as slave labourers Lawrence progressively climbs the educational ladder until he emigrates to the UK with his family Harping on the theme of hidden racism among others Lawrence then endures horrific racist treatment from criminally disobedient white and black students in schools he works at as an English teacher Having become a highly respected educational specialist he is now retired in the UK retaining his connections with his family members and friends in Zimbabwe

Teacher in Zimbabwe ,2014 **Studies in Art Education** ,2003 **How to study for distinctions** Cosmas Mtsikwa ,2020-12-21 Thousands upon thousands fail in their examinations either by attaining average or poor grades This compellingly written book is of practical relevance to students who are at O level A level or even University and Tertiary education institutions to aid them to study and attain the attainable distinctions The young author of this book advocates implementation of the ten principles which address the common and rare mistakes which lead many to the bottomless pit of U s or ultimate failure It is apparent that the most educated fill the highly paying and honorable positions in the market place This book gives you the secret that is to be the distinction or one who stands shoulders above the rest By being that you will attain distinctions and honorable positions will be your reward Thus enjoy your interaction with this simply yet comprehensively written book
