Zip Code Cadillac Mi:

Michigan Encyclopedia Jennifer Herman, 1999-01-01 MICHIGAN ENCYCLOPEDIA is the definitive reference work on Michigan ever published. The noted Michigan historian Dr. Matthew Lawrence Daly, Assistant Professor of History at Grand Valley State University, has authored articles on Introduction to Michigan History, Early History of Michigan, and Michigan History. These articles cover the history of Michigan from the early explorers to twenty-first century events. Other major sections in this reference work are Michigan Symbols and Designations, Geography and Topography of Michigan, Profiles of Michigan Governors, Chronology of Michigan, Historic Events, Dictionary of Michigan Places, Michigan Constitution, Bibliography of Michigan, Books, Pictorial Scenes of Michigan, State Executive Offices, State Agencies, Departments and Offices, Michigan Senators, Michigan Assembly Members, U.S. Senators and U.S. Congress members from Michigan, Directory of Michigan Historic Places, and Index. MICHIGAN ENCYCLOPEDIA contains stunning photographs and portraits to compliment the expertly written text. Population charts are arranged alphabetically by city or town name and by county. This allows students easy access to find population figures for their area of interest. Other population charts list all places in Michigan by largest populated places to least populated places by city or county. Directories contain the information on elected state and federal officials along with their contact information including mail and email addresses, phone and fax numbers. Easy to use reference maps are included to find your elected state or federal officials. The Directory of State Services lists the head officials and full contact information on state agencies and departments, some of which were just newly created by the legislature. The Directory of Michigan Historic Places contains all the latest up-to-date information on every Michigan historic place. The Bibliography includes the latest books published on Michigan. A detailed Index makes the work thoroughly referential. MICHIGAN ENCYCLOPEDIA offers librarians, teachers, and students a single source reference work that provides the answers to the most frequently asked questions about Michigan and its history.
