Asexuality and Freudian-Lacanian Psychoanalysis Kevin Murphy,2022-12-05 Asexuality and Freudian Lacanian Psychoanalysis Towards a Theory of an Enigma proposes that asexuality is a libidinally founded desire for no sexual desire a concept not included in psychoanalytic theory up to now Asexuality is defined as the experience of having no sexual attraction for another person as an emerging self defined sexual orientation it has received practically no attention from psychoanalytic research This book is the first sustained piece of exploratory and theoretical research from a Freudian Lacanian perspective Using Freudian concepts to understand the intricacies of human sexual desire this volume will also employ Lacanian conceptual tools to understand how asexuality might sustain itself despite the absence of Other directed sexual desire This book argues that asexuality holds a mirror to contemporary sexualized society which assumes sexual attraction and eroticism as the benchmarks for experiencing sexual desire It also argues that asexuality may be a previously

unrecognized form of human sexuality which can contribute new understandings to the range and breadth of what it means to be a sexual being This book will be of interest to anyone in the area of asexuality or sexuality psychoanalysts psychotherapists psychologists psychiatrists university lecturers researchers students or those simply curious about the possibilities of the human sex drive Encyclopedia of the Documentary Film 3-Volume Set Ian Aitken, 2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumi re brothers Workers Leaving the Lumi re Factory 1885 to Michael Moore s Fahrenheit 911 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation Directors in British and Irish Cinema Robert Murphy, 2019-07-25 A guide to directors who have worked in the British and Irish film industries between 1895 and 2005 Each of its 980 entries on individuals directors gives a resume of the director's career evaluates their achievements and provides a complete filmography It is useful for those interested in film making in Britain and Ireland British Book News **British Book News** British Council,1989 Includes no 53a British wartime books for young people .1990 The Elegies of Theognis and Other Elegies Included in the Theognidean Sylloge Theognis, 1910 A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century Samuel Austin Allibone, 1891 "A" Critical Dictionary of English Literature and British and American Authors Living and Deceased Samuel Austin Allibone, 1872 A Revised Edition of the Legislative Enactments of **Ceylon, 1707 to [1923]** Ceylon, 1923 A Critical Dictionary of English Literature and British and American Authors, Living and Deceased Allibone, 1858 A Critical Dictionary of English Literature and British and American Authors Samuel Austin Allibone, 1859 A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century, Containing Thirty Thousand Biographies and Literary Notices, with Forty Indexes of Subjects Samuel Austin Allibone, 1859 A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century Samuel Austin Allibone, 1859 A Critical Dictionary of English Literature and British and American Authors Living and Deceased from the Earliest Accounts to the Latter Half of the Nineteenth Century by S.
