Teaching with Purpose James D. Kirylo, 2016-05-02 For five days a week for approximately nine months out of the year totaling countless hours teachers work with other people's most treasured gifts their children That the teacher is the most important element in fostering an energetic engaging and inspiring classroom environment where authentic learning can unfold cannot be overstated Indeed it is the teacher who understands self or does not it is the teacher who is prepared or is not it is the teacher who has command of subject matter or does not it is the teacher who inculcates in an appropriate way or does not and it is the teacher who is patient understanding empathetic and enthusiastic or is not To that end Teaching With Purpose underscores what it means to be an insightful teacher foundationally emphasizing that the central aspect toward richly transforming education is through the professionalization of what it means to be a teacher Written in accessible language and attentive to connecting theory to practice the benefits and features of this book are mindful of a diverse readership

Confronting Challenges in English Language Teacher

Education Salah Troudi, Omid Mazandarani, 2024-09-04 This edited volume presents an inter and multidisciplinary approach towards language teacher education confronting the issues that have continued to pervade the field for the last two decades. Featuring contributions from researchers and teacher educators located within a truly international spread of countries: Mexico, Palestine, Tunisia, Cyprus, and Kuwait, to name a few, chapters adopt an ecologically globalised approach to understand how English language teaching is theorised and practised in different educational contexts across the world. Research gathered from interviews, meta-analysis, and international case studies is showcased as chapters consider both pedagogical and online issues within, as well as critical approaches to language teacher education. Professional development and evaluation programmes across different educational contexts are discussed in depth, along with guidance and insights for the future of the field. The book will be of interest to scholars, researchers, and postgraduate students working in the fields of English language teacher education, TESOL, applied linguistics, continuing professional development. *Education Outlook*, 1929

[Towards a Transformative Pedagogy for Early Childhood Care and Education](#) Naseema Shaik, Trevor Moodley, 2024-07-12 This book addresses the priorities and possibilities towards developing transformative pedagogies in post-apartheid South Africa. To this end, the book has assembled a group of researchers who interrogated and engaged with a variety of dimensions that warrant pedagogical change in early childhood in South Africa. The book focuses on young children, practitioners, and leaders with intersecting discussions about envisaged systemic changes to promote transformative pedagogies. The collection highlights the importance of beliefs, ways of knowing, and ways of being as framings that impact on pedagogical approaches. The book discusses the challenges that interplay between priorities and possibilities that practitioners face in a diverse and multi-cultural society like South Africa. The work uses a variety of examples to show priorities. One example is about how practitioners have limited knowledge about how music as a culturally responsive tool can be used to transform pedagogy in Early Childhood Care and Education. The book opens up dimensions as priorities that lead to thinking about possibilities that recast adults and young children as transformative agents in a dimension for transformative pedagogies.
