Teaching English for Tourism Michael Ennis, Gina Petrie, 2019-07-04 Teaching English for Tourism initiates a sustained academic discussion on the teaching and learning of English to tourism professionals or to students who aspire to build a career in the tourism industry Responding to a gap in the field this is the first book of its kind to explore the implications of research in English for tourism EfT within the field of English for specific purposes This edited volume brings together teachers and researchers of EfT from diverse national and institutional contexts focusing on connecting current research in EfT contexts to classroom implications It considers a wide range of themes related to the teaching of EfT including theoretical concepts methodological frameworks and specific teaching methods The book explores topics relating to the impact of changing technologies the need for cultural understanding and support for writing development among others Teaching English for Tourism explores this growing area of English for specific purposes and allows for researchers and practitioners to share their findings in an academic context This unique book is ideal reading for researchers post graduate students and professionals working in the fields of English language teaching and learning

Social Entrepreneurship and Tourism Pauline J. Sheldon, Roberto Daniele, 2016-12-22 This volume explores the links between the rapidly growing phenomenon of social entrepreneurship SE and the international tourism and hospitality industry This unique industry is particularly ripe for transformation by SE and the book's authors delve deeply into the reasons for this The book has three parts The first creates a conceptual and theoretical framework for understanding the uniqueness of SE in the tourism context The second examines different communities of practice where SE is being applied in tourism The third is a rich collection of case studies from eight countries where tourism SE is already having an impact The book's authors address the topic from many different angles disciplinary backgrounds and geographic areas Many case study authors are practicing social entrepreneurs who share their successes challenges and experience with tourism related projects The book also proposes a research agenda and educational programmatic changes needed to support tourism SE As these are developed tourism SE will bring innovation to destinations transformation of their economic and social structures and contribution to a better world The book has many insights and resources for scholars and practitioners alike to usher in this transformation

TEFL Tourism Hayley Stainton, 2019-07-22 There is evident lineage between the concepts of teaching English as a foreign language TEFL and tourism represented through evocative marketing material the commoditisation of the TEFL product teacher motivations and experiences Yet to date there has been no recognition of these links within industry or academia This book introduces the concept of TEFL tourism outlining the scale of the sector and the rapid commercialization of TEFL teaching across the world locating it as an emerging form of niche tourism The text outlines the organisation types and geographical locations emphasizing the commodification of English language teaching It also outlines the types of TEFL tourists the complexities of international education links with various tourism forms and sustainability considerations of the

industry The book will appeal to tourism academics and students in particular those with interests in educational and volunteer tourism as well as sustainable tourism and commodification Cruise Tourism in the Caribbean Martha Honey, 2019-06-17 This book explores the lessons learned from half a century of Caribbean cruise tourism one of the most popular and profitable sectors of the tourism industry The modern day cruise industry dates from the 1960s when the three major cruise lines Carnival Royal Caribbean and Norwegian set up shop in Florida and began selling winter cruises to the Caribbean targeting American retirees For geopolitical reasons the US initially excluded cruises to Cuba This changed in 2016 following the historic Obama Castro agreement to move towards diplomatic trade and travel normalization Cuba quickly became the Caribbean's fastest growing cruise destination This book considers the limited economic benefits of cruise tourism its environmental and social impacts and the effects of climate change and overtourism Based on this analysis and case studies of key Caribbean and Mediterranean destinations this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to Caribbean countries It will be valuable to professionals businesses development agencies NGOs and academics interested in a sustainable cruise industry and the economic well being of Caribbean island nations Handbook of e-Tourism Zheng Xiang, Matthias Fuchs, Ulrike Gretzel, Wolfram Höpken, 2022-09-01 This handbook provides an authoritative and truly comprehensive overview both of the diverse applications of information and communication technologies ICTs within the travel and tourism industry and of e tourism as a field of scientific inquiry that has grown and matured beyond recognition Leading experts from around the world describe cutting edge ideas and developments present key concepts and theories and discuss the full range of research methods The coverage accordingly encompasses everything from big data and analytics to psychology user behavior online marketing supply chain and operations management smart business networks policy and regulatory issues and much much more The goal is to provide an outstanding reference that summarizes and synthesizes current knowledge and establishes the theoretical and methodological foundations for further study of the role of ICTs in travel and tourism The handbook will meet the needs of researchers and students in various disciplines as well as industry professionals As with all volumes in Springer's Major Reference Works program readers will benefit from access to a continually updated online version

Gastronomy, Tourism and the Media Warwick Frost, Jennifer Laing, Gary Best, Kim Williams, Paul C. Strickland, Clare Lade, 2016-07-27 This book examines and analyses the connections between gastronomy tourism and the media It argues that in the modern world gastronomy is increasingly a major component and driver of tourism and that destinations are using their cuisines and food cultures in marketing to increase their competitive advantage It proposes that these processes are interconnected with film television print and social media The book emphasises the notion of gastronomy as a dynamic concept in particular how it has recently become more widely used and understood throughout the world The volume introduces core concepts and delves more deeply into current trends in gastronomy the forces which shape them and their

implications for tourism The book is multidisciplinary and will appeal to researchers in the fields of gastronomy hospitality tourism and media studies
