Schänzel,Ian Yeoman,Elisa Backer,2012-07-20 The family remains at the emotional

heart of society and makes up a significant proportion of the tourism market. However, the concept of family has changed over the decades and there are now different types of families that have their own unique attributes and needs. Families may have one parent or two who may or may not be of different genders. This cutting edge book constructs a multidisciplinary perspective on family tourism by discussing various types of families, how parents and children influence travel behaviours now and in the future, and how family holidays may also be linked to stress. *Family Tourism: Multidisciplinary Perspectives* provides a compilation of issues from academic writers around the globe to provide a range of perspectives linked by a common theme of family tourism with a futures perspective. *Tourism* Stephen J. Page, Joanne Connell, 2020-04-29 Tourism can be a challenging subject for students because it is both dynamic and susceptible to economic turbulence and shifts in trends. *Tourism: A Modern Synthesis* is an essential textbook for tourism students seeking a clear and comprehensive introduction to their studies that addresses these challenges. The authors apply a business approach to the subject, reflecting developments in the teaching and content of university courses, and the text covers both key principles and contemporary themes and issues at a global scale. Among the new features and topics included in this fifth edition are: New and fully updated case studies to reflect current trends and emerging markets including Africa and Asia; Up to date content on disruptive technologies such as Airbnb, low cost airlines, the e travel revolution and future developments; Current debates in sustainable tourism including the anti tourism movement, plastic use and the Sustainable Development Goals; New content on evolving topics such as future employment, human resource management in tourism and generational marketing; Fully updated statistics and data; A brand new Companion Website including an instructor's manual, supplementary case studies, weblinks, multiple choice questions and PowerPoint slides. This is the ideal guide to tourism for students across all levels, serving as a point of reference throughout a programme of study. *Whale-watching* James Higham, Lars Bejder, Rob Williams, 2014-03-27 Within little more than a generation, whale watching has been subject to global industrial development. It has been portrayed by destinations and business operators and advocated by environmental groups as a sustainable activity and an alternative to whaling. However, in recent years, the sustainability of these activities has increasingly been questioned as research shows that repeated disturbance by boat traffic can severely disrupt critical behaviours of cetaceans in the wild. Bringing together contributions by international experts, this volume addresses complex issues associated with commercial whale watching, sustainable development and conservation of the global marine environment. It highlights widely expressed concerns for the failure of policy planning and management and pinpoints both long standing and emerging barriers to sustainable practice. Featuring numerous case studies, the book provides critical insights into the diverse socio cultural, political, economic and ecological contexts of this global industry, highlighting the challenges and opportunities that arise along the pathways to sustainability. *Handbook of Research on Global Hospitality and Tourism Management* Camillo, Angelo A., 2015-08-17 The tourism industry is a multi billion dollar enterprise with more people from all cultures and

nationalities choosing to spend their leisure time traveling and visiting new locations To exploit this burgeoning market tourism agencies must carefully consider the desires and goals of travelers from around the world The Handbook of Research on Global Hospitality and Tourism Management contributes to the body of knowledge on travel and tourism by presenting a global view of the hospitality industry including theoretical research into industry trends as well as case studies from around the world This handbook provides travel agents owner operators and students and researchers in the hospitality industry with the latest research findings and developments in the field Within this handbook of cutting edge research readers will find chapters and cases on topics such as travel and tourism in a global economy local glocal and international hospitality challenges in environmental management cultural cuisine and destination management among others The SAGE Handbook of Tourism Management Chris Cooper, Serena Volo, William C.
