Dying of Whiteness Jonathan M. Metz, 2019-03-05 A physician's provocative Boston Globe and timely Ibram X Kendi New York Times Book Review account of how right wing backlash policies have deadly consequences even for the white voters they promise to help In election after election conservative white Americans have embraced

politicians who pledge to make their lives great again But as physician Jonathan M Metzl shows in *Dying of Whiteness* the policies that result actually place white Americans at ever greater risk of sickness and death Interviewing a range of everyday Americans Metzl examines how racial resentment has fueled progun laws in Missouri resistance to the Affordable Care Act in Tennessee and cuts to schools and social services in Kansas He shows these policies costs increasing deaths by gun suicide falling life expectancies and rising dropout rates Now updated with a new afterword *Dying of Whiteness* demonstrates how much white America would benefit by emphasizing cooperation rather than chasing false promises of supremacy Winner of the Robert F Kennedy Book Award Tourism South Africa. Department of Education,2010 *Travel & Tourism Grade Eleven* T. Van Niekerk,Melville Saayman,Potchefstroom University for Christian Higher Education. Institute for Tourism and Leisure Studies,2002
