Wreading Jed Rasula, 2022-03-29 Jed Rasula is a preeminent scholar of avant garde poetics noted for his erudition intellectual range and critical independence He's also a gifted writer his recent books have won praise for their entertaining clear prose in addition to their scholarship He is also an alumnus of UAP's distinguished Modern and Contemporary Poetics series which published his Syncopations fifteen years ago Rasula returns to the MCP series with Wreading A collection of essays interviews and occasional writings that reflects the breadth and diversity of his curiosity One of the referees likened Wreading to a victory lap but one that sets its own further record in the taking This is a collection of highlights from Rasula's shorter critical pieces but also a carefully assembled and revised intellectual autobiography

Wreading consists of two parts an assortment of Rasula s solo criticism and selected interviews and conversations with other critics and scholars Evelyn Reilly Leonard Schwartz Tony Tost Mike Chasar Joel Bettridge and Ming Qian Ma The collection opens with a trio of essays that complicate the idea of a poet By interrogating the selection of poets for anthologies in the 20th century Rasula identifies a host of forgotten poets once prominent but now forgotten Another essay on the state of the poetry anthology reveals how much influence literary gatekeepers have and what a reimagination of the anthology form could make possible In subsequent chapters Rasula finds surprising overlap between Dada and Ralph Waldo Emerson charts the deep links between image and poetic inspiration and reckons with Ron Silliman s *The Alphabet* a UAP classic In the book s second half Rasula engages in detailed conversations with a roster of fellow critics Their exchanges confront ecopoetics the corporate university the sheer volume of contemporary poetry and more This substantial set of dialogues gives readers a glimpse inside a master critic s deeply informed critical practice and lists his intellectual touchstones The balance between essay and interview achieves a distillation of Rasula s long established idea of wreading In his original use the term denotes how any act of criticism inherently adds to the body of writing that it purports to read how Rasula couldn t help but participate in his favorite poems In this latest form Wreading captures a critical perception that sparks insight and imagination no matter what it sees
