World Civilizations 6th Edition Test Bank:

World Civilizations Philip J. Adler, 2003 WORLD CIVILIZATIONS offers students a comprehensive and balanced overview of the world's major civilizations spanning from the ancient world to modern times. With more than half of the text devoted to non-Western civilizations, this Third Edition provides increased attention to modern-day Islam, pre-colonial Africa, the role of women throughout history, and the global effects of World War II on the various civilizations. Throughout, Philip Adler describes history as the story of how individuals have tried, with varying degrees of success, to meet their physical, emotional, and intellectual needs and desires.

A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it. Now published by Bedford St Martin's and informed by the latest scholarship, the book has been thoroughly revised with students in mind to meet the needs of the evolving course. Proven to work in the classroom, the book's regional and comparative approach helps students understand the connections of global history while providing a manageable organization. With more global connections and comparisons, more documents, special features, and activities that teach historical analysis, and an entirely new look, the ninth edition is the most teachable and accessible edition yet.
