Annual Catalog - United States Air Force Academy United States Air Force Academy,1971 **Teaching Big History** Richard B. Simon,Mojgan Behmand,Thomas Burke,2015 Big History is a new field on a grand scale it tells the story of the universe over time through a diverse range of disciplines that spans cosmology physics chemistry astronomy geology evolutionary biology anthropology and archaeology thereby reconciling traditional human history with environmental geography and natural history Weaving the myriad threads of evidence based human knowledge into a master narrative that stretches from the beginning of the universe to the present the Big History framework helps students make sense of their studies in all disciplines by illuminating the structures that underlie the universe and the connections among them Teaching Big History is a powerful analytic and pedagogical resource and serves as a comprehensive guide for teaching Big History as well for sharing ideas about the subject and planning a curriculum around it Readers are also given helpful advice about the administrative and organizational challenges of instituting a general education program constructed around Big History The book includes teaching materials examples and detailed sample exercises This book is also an engaging first hand account of how a group of professors built an entire Big History general education curriculum for first year students demonstrating how this thoughtful integration of disciplines exemplifies liberal education at its best and illustrating how teaching and learning this incredible story can be transformative for professors and students alike *Emily 2* Jeremy Wells,Emily

Wells,2014-08-08 What would you do to bring hope to your dying son or daughter afflicted with leukemia Would you permit your son or daughter to experience life while facing their expected death Emily was twelve when diagnosed with leukemia She met seventeen year old Jeremy who would become her anchor to give her strength when she was weak to give her hope when she felt all was lost and to give her unqualified love and support to hold onto when she was lost frightened or simply unable to do for herself Emily wanted to experience life before she faced her own death Emilys mother reluctantly allowed

her to secretly marry Jeremy before God and in her presence since underage marriage was forbidden by society Emilys story was told in the book titled Emily Emily brought hope to young cancer patients who simply want to experience life before facing their probable death This book chronicles Emily and Jeremys fight to change the rules and allow qualifying sick children to marry and experience life before facing death Emily states Is that really so much to ask Child Welfare says Yes it is Underage girls can marry if they are pregnant but underage sick and dying children should never be permitted to marry unless the cancer patient gets pregnant See who prevails in this battle to bring life and dignity to young cancer patients who just want to live even if living is but a moment in time
