

World History Final Exam Review Part 1

Unit 1 River Valley Civilizations

This time period marks the development of agriculture and river valley civilizations. It is during this time period that people learned how to grow their own food and herd animals. This allowed them to no longer be limited to hunting and gathering. The mild climate of the river valleys led to the creation of early civilizations.

Time Period: 8000 to 500 BCE

1. What caused the development of agriculture?
 People learned how to grow their own food and how to herd animals.
2. What caused the development of river valley civilizations?
 River valleys offered a mild climate and water highways for other places.
 Valleys flooded depositing fertile soil, which led to abundant harvest & a surplus of food.
3. How did farming impact the creation of the following river valley civilizations: Mesopotamia, Egypt, India, and China?
 People no longer had to wander in search of food; instead they could build permanent homes and villages.
 High crop yields on fertile flood plains permitted more people to pursue non-farming activities.
4. What are the characteristics of civilizations? List them and explain them all.
 Writing, Government, Religion, Advanced Cities, Specialized Workers, Advanced Technology, Social Classes.
5. How did river valley civilizations influence the development of classical civilizations?
 Early civilizations spread beyond river valleys. Some achieved enough power to conquer neighbors and create giant empires.
6. What important changes in human life occurred as a result of the Neolithic Revolution?
 Change from hunter-gatherer to producer of food.
 Domestication of plant and animals.
 Development of civilizations.
7. Define the characteristics of these types of government in early civilizations:

Monarchy	A system of government in which political power is inherited.
Theocracy	A society governed by religious leaders.
