The Rise of English Rosemary Salomone, Rosemary C. Salomone, 2022 A sweeping account of the global rise of English and the high stakes politics of language Spoken by a quarter of the world's population English is today's lingua franca its common tongue The language of business popular media and international politics English has become commodified for its economic value and increasingly detached from any particular nation This meteoric rise of English has many obvious benefits to communication Tourists can travel abroad with greater ease Political leaders can directly engage their counterparts Researchers can collaborate with foreign colleagues Business interests can flourish in the global economy But the rise of English has very real downsides as well In Europe imperatives of political integration and job mobility compete with pride in national language and heritage In the United States and England English isolates us from the cultural and economic benefits of speaking other languages And in countries like India South Africa Morocco and Rwanda it has stratified society along lines of English proficiency In *The Rise of English* Rosemary Salomone offers a commanding view of the unprecedented spread of English and the far reaching effects it has on global and local politics economics media education and business From the inner workings of the European Union to linguistic battles over influence in Africa Salomone draws on a wealth of research to tell the complex story of English and ultimately to argue for English not as a force for domination but as a core component of multilingualism and the transcendence of linguistic and cultural borders

Making World English Michael G. Malouf, 2022-01-27 Uncovering the role of literature late imperialism and the rise of new models of internationalism as integral to the invention of Global English this book focuses on three key figures from the Vocabulary Control Movement C K Ogden Harold Palmer and Michael West who competed for market share for their respective language teaching systems Basic English the Palmer Method and the New Method through battles over word lists and teaching methods in the 1920s and 30s Drawing on archives from the Carnegie Corporation and considering language teaching in eight global sites this book analyzes how a series of conferences in New York and London resolved their conflicts and produced a consolidated international standard form of English As a postcolonial approach to the development of the field of English Language Teaching it reveals how these language debates were proxy battles over an idealized global subject an urban secular consumer moving seamlessly between the tribal and global speaking both mother tongues and an international lingua franca Global English Featuring analysis of the primary texts of each of the three key figures in this book as well as close readings of their readers which featured adaptations of well known literary texts from writers like Poe

Dickens Wordsworth Milton and Wells it recovers a neglected history of English as it was redefined as an international language through anti colonial resistance in the peripheries and transatlantic power struggles in the metropole during the interwar period

Mapping World Anglophone Studies Pavan Kumar Malreddy, Frank Schulze-Engler, 2024-10-30 This book explores core issues in the emerging field of World Anglophone Studies It shows that traditional frameworks based on the colonial and imperial legacies of English need to be revised and extended to understand the complex adaptations iterations and incarnations of English in the contemporary world The chapters in this volume make three significant interventions in the field First they showcase the emergence of Anglophone literatures and cultures in parts of the world not traditionally considered Anglophone Cuba the Arab world the Balkan region Vietnam Algeria and Belize among others Second they feature new zones of contact and creolization between Anglophone literatures cultures and languages such as Swahili Santhali Ojibway and Hindi as well as Anglophone representations of colonial encounters and contemporary experiences in non Anglophone settings such as Cuba Angola and Algeria And finally the volume turns to Anglophone literary and cultural productions on new platforms such as social media and Netflix and highlights the role of English in emergent sites of resistance involving women Indigenous populations queer and other non heteronormative sexualities as well as post conflict societies Mapping linguistic transgressions and the transmigration of cultural tropes between Englishes vernaculars and a wide variety of other languages with a rich set of case studies this volume will be essential reading for courses such as world literatures in English postcolonial studies anglophone studies literature and culture Indian Ocean worlds Global Englishes and Global South studies
