A Critical Companion to Stanley Kubrick Elsa Colombani,2020-10-16 A Critical Companion to Stanley Kubrick offers a thorough and detailed study of the films of the legendary director Labeled a recluse a provocateur and a perfectionist Kubrick revolutionized filmmaking from the use of music in film narrative pacing and structure to depictions of war and violence An unparalleled visionary his work continues to influence contemporary cinema and visual culture This book delves into the complexities of his work and examines the wide range of topics and the multiple interpretations that his films inspire The eighteen chapters in this book use a wide range of methodologies and explore new trends of research in film studies providing a series of unique and novel perspectives on all of Kubrick s thirteen feature films from *Fear and Desire* 1953 to *Eyes Wide Shut* 1999 as well as his work on *A.I. Artificial Intelligence* Steven Spielberg 2001

The Perry Expedition and the "Opening of Japan to the West," 1853-1873 Paul Hendrix Clark,2020-04-01 By the time U.S. Commodore Matthew Perry's squadron of four ships sailed into Tokyo Bay on July 8 1853 the Japanese Tokugawa government had already fended off similarly unwelcome intrusions by the French the Russians the Dutch and the British These Western imperialists had the power and the means to force Japan into the kinds of treaties that would effectively spell the end of Japan's autonomy maybe even its existence as an independent country At the same moment Japan was also grappling with a serious insurrection the death of an emperor and the death of a shogun as well as with a series of natural disasters and associated famines The Japanese response to this incredible series of catastrophes would permanently alter the balance of geopolitical power around the world Drawing on the best recent scholarship this short introductory volume examines the motivations and maneuvers of the major participants in the conflict and sets the opening of Japan in the context of broader global history Selections from twenty nine primary sources provide firsthand accounts of the event from a variety of perspectives Several illustrations are also included along with a note on historiographic interpretation

Animals and War Anthony J. Nocella II,Colin Salter,Judy K.C. Bentley,2013-12-19 *Animals and War: Confronting the Military Animal Industrial Complex* is the first book to examine how nonhuman animals are used for war by military forces Each chapter delves deeply into modes of nonhuman animal exploitation as weapons test subjects and transportation and as casualties of war leading to homelessness starvation and death With leading scholar activists writing each chapter this is an important text in the fields of peace studies and critical animal studies This is a must read for anyone interested in ending war and fostering peace and justice

Mind If I Order the Cheeseburger Sherry F. Colb,2013-06-18 What about plants Don't animals eat other animals There are no

perfect vegans so why bother If you re vegan how many times have you been asked these and other similarly challenging questions from non vegans Using humor and reason Sherry F Colb takes these questions at face value and also delves deeply into the motivations behind them coming up with answers that are not only intelligent but insightful about human nature Through examples case studies and clear eyed logic she provides arguments for everything from why veganism is compatible with the world s major religions to why vegetarianism is not enough In the end she shows how it is possible for vegans and non vegans to engage in a mutually beneficial conversation without descending into counterproductive name calling and to work together to create a more hospitable world for human animals and non human animals alike A rare fusion of passion and logic idealism and pragmatism style and substance and in its measured confrontation of the most challenging questions vegans face a revolutionary guide for advocates seeking to engage the ethics of eating animals through authentic dialogue rather than bombastic rhetoric Colb s literary touch is something to behold She writes in a way that will appeal to non vegans and vegans alike building bridges across an all too turbulent divide This is food writing at its best and food writing as it should be honest inclusive inspirational and more than you might imagine timely James McWilliams Professor of History Texas State University San Marcos and author of *Just Food* and *The Politics of the Pasture* With compassion humor and eloquence Sherry Colb provides a clear and engaging account of what motivates vegans to eat and live the way we do A must read for anyone who has ever wondered or been asked Why do vegans think it is okay to kill plants but not animals or Why avoid dairy and eggs Rory Freedman New York Times bestselling co author of *Skinny Bitch* and author of *Beg* Sherry Colb provides thoughtful articulate intelligent answers to the commonly asked questions faced by every vegan Intertwining information reason and her own personal experience Colb offers an invaluable aid both for those answering the questions and for those posing them The perfect companion Colleen Patrick Goudreau bestselling author and creator of The 30 Day Vegan Challenge A powerful compelling and thoroughly engaging defense of veganism from an absolutely terrific legal scholar Gary L Francione Board of Governors Professor of Law and Katzenbach Distinguished Scholar of Law and Philosophy Rutgers University author of *Introduction to Animal Rights Your Child or the Dog* With crystal clear logic and an empathic voice Sherry Colb has written a must read source for anyone curious skeptical or downright antagonistic towards vegan living This book is destined to be a classic of the emerging vegan oeuvre Jonathan Balcombe Ph D author of *The Exultant Ark* Full of thoughtful analyses of some of the most common perplexing and often challenging reactions to vegans and veganism Any vegan or vegetarian who has wished they d had a more informed response to a question or challenge about their ideology and anyone who wants to better understand some of the fundamental concepts of veganism will benefit from reading Sherry Colb s in depth exploration of the issues Melanie Joy Ph D author of *Why We Love Dogs Eat Pigs and Wear Cows* *The Politics of the Core Leader in China* Xuezhong Guo, 2019-05-09 This is the first full length scholarly study of the Chinese core leader and his role in the Chinese Communist Party s elite politics [Book Review Index Cumulation](#) Dana

Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year Instructor's Edition for the Essential World History William J. Duiker, Jackson J. Spielvogel, 1997 This is a comprehensive introduction to world civilizations to 1500 It covers each major civilization such as China India and Europe and provides points of comparison between and among these civilizations It emphasizes breadth and accessibility and contains a wealth of primary source documents beautiful full color maps and interesting teaching and learning supplements to help students appreciate the complexity of the topic while enjoying its application to their lives *American Book Publishing Record*, 2004 *Paperbound Books in Print*, 1992 *The British National Bibliography* Arthur James Wells, 2009 *Subject Guide to Books in Print*, 2001 Literary History: Towards a Global Perspective Anders Pettersson, Gunilla Lindberg-Wada, Margareta Petersson, Stefan Helgesson, 2011-12-22 Literary History Towards a Global Perspective is a research project funded by the Swedish Research Council Vetenskapsr det Initiated in 1996 and launched in 1999 it aims at finding suitable methods and approaches for studying and analysing literature globally emphasizing the comparative and intercultural aspect Even though we nowadays have fast and easy access to any kind of information on literature and literary history we encounter more than ever the difficulty of finding a credible overall perspective on world literary history Until today literary cultures and traditions have usually been studied separately each field using its own principles and methods Even the conceptual basis itself varies from section to section and the genre concepts employed are not mutually compatible As a consequence it is very difficult if not impossible for the interested layperson as well as for the professional student to gain a clear and fair perspective both on the literary traditions of other peoples and on one's own traditions The project can be considered as a contribution to gradually removing this problem and helping to gain a better understanding of literature and literary history by means of a concerted empirical research and deeper conceptual reflection The contributions to the four volumes are written in English by specialists from a large number of disciplines primarily from the fields of comparative literature Oriental studies and African studies in Sweden All of the literary texts discussed in the articles are in the original language Each one of the four volumes is devoted to a special research topic *Books in Print Supplement*, 2002
