Touched By God Testimonies Of Christian Power:

Touched by God Charles Muller, 2000-06-14 The contributors to this little volume are or were remarkable people whom the Lord had touched in one way or another manifesting His divine love and miraculous power It was the editor's own unexpected experience of the Lord's power and presence that in 1984 changed his life and caused him to forsake his academic career in South Africa and move to the United Kingdom where he could obey his mission to write It was also that remarkable experience of His power that made him seek out others whom the Lord had touched while he was still living in South Africa This little book is the result of that quest Refresh Your Heart in Jesus Swamece N. Simeon, 2005-08-17 Swamec Simeon has brought together the powerful exhortational messages that constitute the first part of this book The book is all the more appealing in that it brings together writings and testimonies of persons from many parts of the world Simeon's contribution comes of course from Africa Tanzania as do the first two testimonies from South Africa and the last from Ghana Other testimonies come from people in England Scotland and the New World the United States and Canada It all goes to show that the Spirit of the Lord is moving throughout the World and that wherever we are even in the desert of Saudi Arabia our hearts can be refreshed by the overwhelming and transforming love and power of our God **Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare** Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations

and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about **Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare** Ramsis Ghaly MD FACS,2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to my patients and to my residents As a physician I have reached the top within America both as a professor of neurological surgery and anesthesiology and as a well published author of several famous medical journals As an academic teacher I trained for more than thirty four years and have watched thousands of trainees graduate But all this is nothing as I strive to achieve Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual miracles testimonials and sincere quotes from patients as a testament to the Almighty and the dire need for faith and good hearted medicine This book is full of many vibrant stories that I love to share which is timely since I am guessing that my generation will soon be viewed obsolete by future generations What will remain are the books I

authored This book is a text of wealth covering broad and diverse topics in my life journey within 134 chapters and organized over fourteen sections So many chapters are written about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

Ex-Football Player Touched by the Fire of God Jackson K I Akporero Ejoro,2017-10-16 Many may say its impossible for God to use men today to accomplish miracles but this is real and it will blow your mind A footballer whose career abruptly ends experiences the power of God so mightily that countless people experience the unbelievable while he prays for them over the phone Many who have encountered the voice of this erstwhile footballer via telephone have testified in their own words on Facebook and other social media such testimonies are beyond comprehension This book is a summary of his encounters and a compilation of testimonies that confirm evidentially that the power of God is as real today as ever and that God can use anyone You need to hear the testimonies in this book Whether you are a Christian or not these testimonies will challenge all you have ever believed
