Tourism And Development Concepts And Issues Aspects Of Tourism:

Tourism and Development Richard Sharpley, David J. Telfer, 2002 This text explores the role of tourism as a potential contributor to socio economic development in destination areas Establishing a link between tourism studies and development studies it considers what is meant by development the processes through which development may be achieved and in particular a number of fundamental issues related to the use of tourism as a development agent In so doing it challenges conventional thinking about the relationship between tourism and development Tourism and Development Richard

Sharpley, David J. Telfer, 2015 This book explores the relationship between tourism and development and establishes a conceptual link between the interconnected disciplines of tourism studies and development studies This new edition includes updated chapters drawing on contemporary knowledge as well as 5 new chapters that consider emergent themes in tourism and development *Tourism and Development* Richard Sharpley, David J. Telfer, 2007 **ICTR 2018 International**

Conference on Tourism Research Dr Minna Tunkkari-Eskelinen, JAMK University of Applied Science Jyväskylä, Finland, Dr Anne Törn-Laapio, JAMK University of Applied Science Jyväskylä, Finland, 2018-03-22 These proceedings represent the work of researchers participating in the International Conference on Tourism Research ICTR 2018 which is being hosted by JAMK University of Applied Sciences Jyväskylä Finland on 23-24 March 2018 **Handbook of Tourism Impacts** Stoffelen,

Arie, Ioannides, Dimitri, 2022-05-13 This Handbook provides a comprehensive overview of current developments issues and good practices regarding assessment in social science research It pays particular attention to the challenges in evaluation policies in the social sciences as well as to the specificities of publishing in the area A Research Agenda for Tourism and Development Richard Sharpley, David Harrison, 2019 Tourism is integral to local regional and national development policies as a major global economic sector it has the potential to underpin economic growth and wider development Yet transformations in both the nature of tourism and the dynamic environment within which it occurs give rise to new questions with regards to its developmental role This Research Agenda offers a state of the art review of the research into the tourism development nexus Exploring issues including governance policy philanthropy poverty reduction and tourism consumption it identifies significant gaps in the literature and proposes new and sometimes provocative avenues for future research

Tourism and Development Richard Sharpley, 2015-08-28 Fundamental to the study of tourism is the relationship between tourism and development Tourism represents a major sector of the global economy and as such is considered by many to be an effective driver of economic growth and development in destination areas Importantly however most destinations face what has been referred to as a development dilemma Whilst the benefits afforded by tourism including income foreign exchange and government revenue generation employment economic linkages infrastructural development and environmental enhancement are recognised so too are the negative consequences of tourism development This Major Work illustrates tourism and development through a collection of key papers which have contributed to knowledge of and debates

in this significant area of tourism studies The literature is framed by an extensive introductory chapter which highlights the key concepts themes and debates Volume One The Tourism Development Dilemma The Benefits and Costs of Tourism Volume Two Tourism and Sustainable Development Volume Three Tourism Alternatives Volume Four Contemporary Tourism and Development Issues

Tourism in Development Peter U.C. Dieke, Brian E.M. King, Richard A.J. Sharpley, 2020-11-20 Over the last fifty years tourism has become firmly established as a development option around the world Commensurate with this the study of tourism s developmental role has also expanded significantly There now exists a broad understanding of the policies and processes opportunities and challenges that apply to tourism s potential contributions to development As the tourism environment now faces numerous challenges and transformations it is timely to reflect on contemporary understandings of the relationship between tourism and development and to consider future directions This thought provoking volume challenges the orthodoxy of tourism and development highlights past and current events and considers longer term repercussions and developments It will be a relevant and enduring resource for academics and undergraduate and postgraduate students in tourism

Tourism and Development in the Developing World David J. Telfer, Richard Sharpley, 2015-12-14 Tourism is widely considered to be an important factor in socio economic development particularly in less developed countries However despite almost universal recognition of tourism s development potential the extent to which economic and social progress is linked to the growth of a country s tourism sector remains the subject of intense debate Tourism and Development in the Developing World offers a thorough overview of the tourism development relationship Focusing specifically on the less developed world and drawing on contemporary case studies this updated second edition questions widely held assumptions on the role of tourism in development and seeks to highlight the challenges faced by destinations seeking to achieve development through tourism The introductory chapter establishes the foundation for the book exploring the meaning and objectives of development reviewing theoretical perspectives on the developmental process and assessing the reasons why less developed countries are attracted to tourism as a development option The concept of sustainable development as the most widely adopted contemporary model of development is then introduced and its links with tourism critically assessed Subsequent chapters explore the key issues associated with tourism and development including the rise of globalization the tourism planning and development process the relationship between tourism and communities within which it is developed the management implications of trends in the demand for and uptake of tourism and an analysis of the consequences of tourism development for destination environments economies and societies A new chapter considers the challenges of climate change sustainability of resource supply oil water and food global economic instability political instability and changing demographics Finally the issues raised throughout the book are drawn together in a concluding chapter that assesses the tourism and development dilemma Combining an overview of essential concepts theories and knowledge with an analysis of contemporary issues and debates in tourism and development this new

edition will be an invaluable resource for those investigating tourism issues in developing countries The book will be of interest to students of tourism development geography and area studies international relations and politics and sociology

Liburd, Deborah Edwards, 2010-05-31 This text provides tourism students educators industry planners researchers managers and operators with the latest thinking on a comprehensive range of themes addressing the sustainable development of tourism

Tourism, Mobility, and Second Homes Colin Michael Hall, Dieter K. Müller, 2004-01-01 Annotation Second homes are an integral component of tourism in rural and peripheral areas This volume represents the first major international review of second homes for over 25 years The volume represents essential reading for those interested in rural regional development processes

Tourism and the Millennium Development Goals Jarkko Saarinen, Christian M. Rogerson, Haretsebe Manwa, 2013-10-31 In 2000 United Nations adopted the Millennium Development Goals UN MDGs committing the member nations to a new global partnership to reduce extreme poverty and setting out a series of specific targets with a deadline of 2015 Related to the UN MDGs tourism is increasingly seen as a promising tool for poverty reduction ensuring environmental sustainability and developing a global partnership for development for example Thus the industry has become an important policy tool for community and regional development in many developing countries and the expectations for tourism and its social and economic outcomes have evolved to a high level However there are still many challenges to overcome in the relationship between tourism industry development and poverty reduction This book aims to discuss the promises challenges and outcomes of tourism in development with a specific aim of drawing together research related to tourism and UN MDGs The papers discuss what lessons can be learnt and conclusions drawn from the utilisation of tourism for development and poverty reduction What emerges from this collection is a set of interesting results and notions which both support and challenge the connections between tourism and development and the new role of tourism in global development This book is an extended version of a special issue published in Current Issues in Tourism

Tourism Development Revisited Sutheeshna S Babu, Sitikanta Mishra, Bivraj Bhushan Parida, 2008-07-11 The global tourism industry is a growing dynamic mega industry despite the temporary setbacks it has faced from time to time due to political and natural elements This book approaches tourism development through a critical prism The collection of articles by leading experts in international tourism relooks at the complex phenomenon of tourism development within a multi disciplinary framework Replete with interesting case studies and tourism statistics it re examines and re interprets prevailing dominant paradigms in the subject leading to new insights and perspectives Tourism Development Revisited Concepts Issues and Paradigms in addition to discussing the concepts scope and nature of the tourism business also includes a diverse commentary on The development of tourism in the 21st century Emerging models in international tourism Challenges faced in emerging markets of East Europe India and China Impact of the Internet and online markets on the travel industry Changing human resource practices and contributions by

the informal sector The importance of tourism as a source of economic development The dynamics of the global tourist and corporate traveler Ecotourism exotic destinations and experiential tourism and Fundamental issues in leisure recreation and tourism The contributors of all the 22 chapters have explored their respective topics beyond the expected realms They deal with the conceptual and paradigmatic evolution of tourism as a socio economic phenomenon and an industry contradictions in its development process tourism in the developing world including the fast growing Chinese and Indian economies new tourism products and their development and management The book will hold tremendous appeal for students researchers academicians policy makers and professionals in this field Building Community Capacity for Tourism Development

Gianna Moscardo,2008 A lack of entrepreneurial capacity limited understanding of tourism markets and a lack of community understanding of tourism and its impacts have been identified as barriers to effective tourism development in peripheral regions This book will provide a focused academic analysis of this emerging issue within tourism development practice while critically examining the dimensions and processes of building community capacity to manage and develop a tourism industry

Contemporary Issues in Tourism Development Richard W. Butler,Douglas G. Pearce,2003-09-02 This work combines a study of contemporary issues in tourism development with a close examination of approaches to tourism research Looking beyond the much studied mass tourism industries leading international academics who are members of the International Academy for the Study of Tourism explore new issues raised by emerging tourist destinations such as Ghana Samoa Vietnam and India s Bhyundar Valley A fascinating work Contemporary Issues in Tourism Development discusses a wide range of topics such as reasons for development tourism development as a strategy for urban revitalization tourism s links to heritage conservation and regional development sustainability and the adverse impacts of development cultural considerations and community participation the importance of context for individual tourism projects **Tourism, Culture and Development**

Stroma Cole,2008 This book provides a holistic multi stakeholder picture of the first twenty years of tourism development in a remote region of Eastern Indonesia It is a rich description of how tourism is intertwined with life in a non western marginal community Based on anthropological methods this ethnography is about tourism and socio cultural change tourists conflict globalisation poverty and powerlessness **Development, Environment and Sustainable Livelihood** Soumyendra

Kishore Datta,Atanu Sengupta,2014-10-16 This book is the outcome of an international conference held in the Department of Economics Burdwan University in 2013 The major part of the conference had been related to development environment and livelihood issues which are also in some way linked to the theme of the ongoing DRS project in the Department pertaining to issues on rural livelihood The achievement of higher economic growth is one of the principal objectives of current government policies and involves intensive resource development programmes with equitable access and distribution of output It is a great challenge for developing countries and the only vehicle which can bring these countries out of poverty India s development path is based on its unique resource endowments As a welfare state its overriding priority lies in

generating its citizens wellbeing with the multifarious programmes of eradicating poverty through providing means of earning income for a sustainable livelihood While a number of programmes have been undertaken by the Government with the aim of eliminating poverty the purpose of generating an all round enhanced livelihood opportunity based on the creation of an improved ambience is only partially served by such programmes The recent focus therefore has been on the assets processes activity framework concerned with not only poverty reduction but also promoting sustainable livelihood enhancing strategies and access to assets like human capital physical assets social capital financial capital and natural capital In terms of the sustainable livelihood framework livelihood comprises the activities the assets the capabilities and the access that combine to determine the standard of living attainable for an individual A livelihood is deemed to be sustainable when it can absorb unforeseen shocks and recover from stresses and uncertainties while maintaining or enhancing the capability and asset base both at present and for future periods without distorting the natural resources and creating social unrest This book is composed of seventeen papers covering the socio developmental aspects and natural resources connected with the concept of sustainable livelihood as well as livelihood issues intimately linked with the farm and non farm sectors and impacted by gender aspect

Sport Tourism Development Thomas Hinch, James E. S. Higham, 2004 In setting the foundation for this book the unique qualities of sport as a tourist attraction are presented and discussed theoretically It then addresses in six chapters central themes of sport tourism development

Protected Areas, Sustainable Tourism and Community Livelihood Linkages Moren Stone, Lesego Stone, Gyan Nyaupane, 2024-10-11 The book uses a multi disciplinary approach to address lessons learned and challenges encountered over the years in different ecological economic political and cultural contexts Protected areas were originally established as recreational spaces and to protect some components of nature however today they are also expected to provide an increasing range of benefits to an array of people Protected areas no longer simply protect but they also provide ecosystem services and facilitate poverty reduction via local development ecotourism and sustainable resource use Integrating tourism and conservation with existing local historical socio economic and institutional landscapes is associated with the promotion of local community participation in resource management The book adopts an interdisciplinary approach to understand social ecological systems that explain the relationship between protected areas tourism and community livelihoods linkages The book provides a platform for dialogue to develop a better understanding of the complex relationships between protected areas tourism and community livelihoods linkages Due to the role tourism plays in poverty alleviation conservation empowerment and addressing other environmental and social challenges the book also connects tourism with the UN Sustainable Development Goals This book will be of great interest to students scholars and policymakers of tourism conservation natural resource management sustainable development as well as professionals and policymakers involved in conservation policy The chapters in this book were originally published as a special issue of Journal of Sustainable Tourism
