### **Opportunities and Challenges for Tourism and Hospitality in the BRIC Nations** Dhiman, Mohinder

Chand,2016-09-06 The stability and wealth of a nation's economy is dependent upon the success of various industrial sectors. The tourism industry has experienced massive growth in recent years, creating more jobs and becoming a source of foreign exchange. *Opportunities and Challenges for Tourism and Hospitality in the BRIC Nations* is a pivotal reference source for the latest scholarly research on the recent developments and contemporary issues within the services sector, highlighting cross-cultural implications as well as societal impacts of hospitality and tourism on emerging markets. Providing insight on managing and maximizing profitability, this book is ideally designed for researchers, professionals, upper-level students, and academicians involved in the services industry.

Teaching Cases in Tourism, Hospitality and Events Saurabh Kumar Dixit, Senthilkumaran Piramanayagam, 2023-02-28 The tourism, hospitality, and events industries comprise one of the largest and most diverse workforces in the world, creating high demand for graduates with strong technical and managerial competencies. Case-based learning encourages students to think, understand, and apply the concepts and theories they're taught into practical, everyday situations faced in the world of work. Providing a broad selection of extensive global cases, this book forms a comprehensive one-stop shop resource for readers to test their analytical skills and abilities in solving complex management issues. Cases include teaching notes to reflect theoretical perspectives as well as questions, detailed learning activities, and solutions. A useful and engaging read for students of tourism, hospitality, and events, this book is also a valuable compilation of examples of practice for people working in industry.

Managing the Smart Revolution in Tourism Firms Francisco J. Navarro-Meneses, 2023-03-31 Smart technologies are revolutionizing tourism as they are having a profound impact on the way tourists behave and on how firms interact with them and create value. The increasing availability of real-time Big Data and the advances made in data analytics techniques, artificial intelligence, and IoT have begun to transform tourism organizations in ways not previously considered and in a lasting manner. This book delivers the latest and most relevant advances in the field of smart transformation and the management practices that can be put into practice to continue creating value in the years to come. Divided into four main parts and 23 chapters, it highlights the challenges that the Smart Revolution brings to tourism firms by providing updated knowledge on the literature, research, and experiences of the author. The book will also provide a guide for action to business leaders and those approaching the fundamentals of the Smart Revolution for the first time. It will also serve as a valuable text for undergraduate and graduate students on specialized courses in tourism technology and business transformation.
