*Comparative Sociology of Examinations* Fumiya Onaka,2019-03-28 Contemporary societies are constructed constricted  
and constrained by various series of examinations Governments of both Western and non Western countries tend to conduct  
detailed multi layered and continuous systems of tests or examinations International tests such as PISA and TIMSS have also  
been introduced to compare the relative performances of learners within diverse educational institutions across different  
countries Examinations therefore provide a methodological pivot for comparing a range of societies They enable us to  
contrast the West and the East the North and the South tribal and mass society ancient and postmodern civilization and so on  
Comparing parallel societies from across Asia the Middle East Europe and North America this book proposes fundamental  
transitions in sociological research from system to process and from communication to composition through intensive studies
