Tobin,Dennis R. Ybarra,2008-07-31 School textbooks in Iran Saudi Arabia Egypt and elsewhere in the Arab and Muslim worlds are filled with anti Western and anti Israel propaganda Most readers will be shocked to discover that history and geography textbooks widely used in America s elementary and secondary classrooms contain some of the very same inaccuracies about Jews Judaism and Israel Did you know that there is no record of any important Jewish contribution to the sciences World Civilizations Thomson Wadsworth Or that Christianity was started by a young Palestinian named Jesus The World Scott Foresman Pearson Supplemental materials and other classroom influences are even worse The Trouble with Textbooks exposes the poor scholarship and untruths in textbooks about Jews and Israel The problems uncovered in this ground breaking analysis are instructive and illustrate the need for reform in the way textbooks are developed written marketed and distributed Substitute another area how we teach American history Western civilization or comparative religion and we have another equally intriguing case study The Trouble with Textbooks shows what can go terribly wrong in discussing religion geography culture or history and in this case all of them The Trouble with Textbooks tells a cautionary tale for all readers whatever their background of how textbooks that Americans depend on to infuse young people with the values for good citizenship and to help acculturate students into the multicultural salad that is American life instead disparage some groups and teach historical distortions With millions of young people using these textbooks each year the denigration of some should be a concern for all Modern World History: Patterns of Interaction McDougal Littell Incorporated,2005-01-01 *World History: Patterns of Interaction* McDougal-Littell Publishing Staff,2004-03 Modern World History: Patterns of Interaction Holt McDougal,2001-01 McDougal Littell World History: Patterns of Interaction McDougal Littell,1998-11 **Children's Books in Print, 2007** ,2006 **World History: Patterns of Interaction** McDougal Littell Incorporated,2001-05-02 **Holt McDougal World History: Patterns of Interaction** ,2011-01-06 World History Patterns of Interaction 2012 is a highly integrated high school world history textbook program with enhanced HISTORY curriculum that provides teachers with a practical and motivational approach to help students think critically and reflectively Together HMH HISTORY infuse social studies with streaming video and interactive features that bring content to life for students and help them make connections between the past and present Meeting the needs of all learners is no easy task This is why Houghton Mifflin Harcourt created World History Patterns of
