World Made By Hand A Novel:

World Made by Hand James Howard Kunstler, 2009-01-19 In this richly imagined dystopian vision mankind must find a way to survive as modern civilization slowly comes apart O The Oprah Magazine When Earth ran dry of oil the age of the automobile came to an end electricity flickered out With deprivation came desperation and desperation drove humanity backward to a state of existence few could have imagined In the tiny hamlet of Union Grove New York every day is a struggle For Mayor Robert Earle it is a battle to keep the citizens united As the bonds of civilization are torn apart by war famine and violence there are some who aim to carve out a new society one in which might makes right a world of tyranny subjugation and death A world Earle must fight against In his shocking nonfiction work *The Long Emergency* social commentator James Howard Kunstler explored the reality of what would happen if the engines stopped running In *World Made by Hand* he offers a stark glimpse of that future in a work of speculative fiction that stands as an impassioned and invigorating tale whose ultimate message is one of hope not despair San Francisco Chronicle Brilliant Alan Cheuse Chicago Tribune It frightens without being ridiculously nightmarish it cautions without being too judgmental and it offers glimmers of hope we don't have to read between the lines to comprehend Baltimore City Paper **The Harrows of Spring** James Howard

Kunstler, 2017-07-11 In Union Grove early spring is a challenging season known as the six weeks want a time when fresh food is scarce and the winter stores are dwindling The town is struggling in particular this year as the Hudson River trade route to Albany has been halted by the local plantation tycoon Stephen Bullock who has deemed it too resource intensive and is now striving for self sufficiency Meanwhile after returning from his travels around what is left of the United States Daniel Earle is intent on resurrecting a newspaper for the community and finds an interesting story to cover when representatives of a group of anti establishment hyper liberals known as the Berkshire People's Republic arrive in the town **The Witch of Hebron** James Howard Kunstler, 2010 In a post oil America with no electricity no Internet dwindling resources and little civic order the residents of the small town of Union Grove New York must deal with roving bandits and a sinister cult that threatens to shatter the hamlet's stability [The Harrows of Spring](#) James Howard Kunstler, 2016-07-05 The *World Made by Hand* postapocalyptic saga concludes with this suspenseful tale spiked with suffering and violence rough justice and love Booklist The small town of Union Grove has adapted struggled and thrived in the new age of civilization But early spring is full of hardships Fresh food is scarce and the winter stores are almost gone Despite the time of privation young explorer Daniel Earle resurrects the town newspaper and the town trustees ask him to help revive the Hudson River trade route But even as the townsfolk strive forward a group of visitors remind them that nothing is easy in the new world They proclaim themselves as representatives of the Berkshire People's Republic spouting high minded near fanatical rhetoric of social justice and absolute equality all while demanding tribute from the citizens under slyly veiled threats Now the townspeople of Union Grove will have to decide just how far they are willing to go to keep the freedom and peace for which they have fought

so hard With this glimpse into a future that could become reality all too soon James Howard Kunstler delivers a slyly folksy caustically hilarious unabashedly proselytizing and affecting finale in a keenly provocative saga
