Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In Celebrating the 12 Days of Christmas author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past **How Right Worship Changes Us** Timothy Milner,2016-03-09 A practical book on how to worship God Biblically and authentically This book is aimed at worship leaders and pastors challenging them on issues of the true gospel and how we short circuit worship when we preach a cheap gospel For worship to be true lasting and authentic it must be based on heart authenticity AND solid theology If it is not our worship will fall apart during times of duress in our lives

when we don't feel God like we used to Many churches today have taken the bait of trying to make worship cool to supposedly reach seekers The problem with this is that in doing this we maim the true worshippers who actually want to experience the power and presence of the Spirit of Jesus

Merry Christmas Advent to Epiphany Shirley D. Andrews, J. Michael Fuller, 2020-04-28 I am often asked to write an endorsement or a forward for a new book but this time I begin this endorsement with a feeling of excitement I absolutely loved the idea of linking nature to a devotional Nature has always been inspiring to me and I often talk to God as I walk through the beauty of God's creation around me How can you possibly see the beauty and wonder of our planet and our universe without being inspired by the God who made it So when I looked at even the very idea of this manuscript I was inspired I read the book and then I sat down to write this I first took a walk through the wonder and beauty of God's creation around me As always I can not walk through the trees or along a creek or stream without being inspired Therefore as I write these words I am inspired not only by this book but by my last encounter with nature As I read the pages I met an author who through the beauty of her writings has linked nature and Divine inspiration and truly inspired me Just to think about nature and talking to God brings inspiration to my whole being So with anticipation and great emotion I endorse MERRY CHRISTMAS by Shirley D Andrews As I looked at the beautiful pictures I saw nature but I also felt the hand of God As I read the words of this manuscript I knew that this author would introduce me to God because like the artist inside of me I would feel and experience God by what I was about to read and I did Thank you Shirley for introducing me again to the God who spoke nature into existence You must experience this book and see the God who not only has his eye on the sparrow but

made the sparrow Shirley you will truly inspire the world Dr Thomas F Reid I love the way Shirley brings us into the presence of our EXTRAORDINARY Lord through what we mistakenly consider the ordinary Thank you Shirley for helping us to see God and draw closer to Him Job 12 7 10 Romans 1 20 Rev Jay Richmond President Renewal Prayer Network Albany NY Volume 3 of Shirley Andrews daily devotions highlights the wonderful works of God in nature and recognizes His gracious work in our lives and relationships Shirley invites us to grow in the grace and knowledge of our Lord and Savior Jesus Christ Pastor Dave Martin Elder Upper New York Annual Conference Hope United Methodist Church Troy New York
