Taking Kye Alaxian Heirs English Edition:

His Reluctant Omega: An Omegaverse Book Kelex, 2022-08-27 Omega Avery Stephens refuses to be the compliant submissive mate he was raised to be. He's tired of being told he's less than and will have to wait for an alpha to come and save him from the virtual prison that is the Omega Quadrant. After his father's die in a tragic accident, he must stand up and be responsible for his younger omega brothers. Knowing their savings will only last so long, he looks to the future. Avery will need an income and not the pittance an omega can make. He shears his long locks, purchases illegal scent blockers, and misrepresents himself into college under the pseudonym Abraham Norcross, a beta. Once there, Avery does everything in his power to prove his kind can be more than a womb with legs, but when he comes across his alpha, he struggles not to be the stereotypical weak and needy omega. Instinct causes him to think too much about dropping to his knees and begging the man to fill him with a child. Can he find a path somewhere between heaven and hell and still hold on to his self-respect?

This is chonky 140 000 word gay non-shifter omegaverse book filled with a lot of love, some pain, a few tears, but not as many as the first book. I hope and plenty of spicy times between a loving alpha and his omega.

Finding His Two Bears Kelex, 2016-05-18 After his brother was savagely beaten by their father, Jamie McCreary knows they can't go back home. He, Colton, and Penn disappear one night, planning to eventually come back for their brothers. Life outside the bear world isn't as easy as it looks, and it takes twelve years for the trio to finally find their way home. On their way, they're attacked while crossing through the reservation. Luckily, new Bear Mountain deputy Will Collins stumbles across the males and rushes them to the clinic, all while trying to ignore the deep-seated and confusing lust he feels for the eldest of the three, Dr. Logan Sinclair. Dr. Sinclair doesn't believe in brother bears or mates, but his beliefs are about to be tested when Jamie and Will run into his clinic. Can he let go of the past and embrace a new future before the alpha exiles three more McCrearys?

Redemption for Two Bears Kelex, 2016-01-13 At seventeen, Gideon challenged the male who killed his father, not knowing he was selling his and his brother's souls to the devil himself. Forced to kill Gideon and Abram, he becomes the monsters they never wanted to be. Once they're saved, they're only forced into a brand new hell. They both know there is no redemption for beasts like them. Only when they find their mate, a male who's seeking out the same devil who wronged them years before, can they hope for a future. Both Gideon and Abram know how easy it is to lose yourself to vengeance, and they won't allow Garren to go over the edge. Can they save him and redeem themselves in the process? **A Second Chance With Two Bears** Kelex, 2015-11-11 After Ben's mates are murdered, Red and Quentin quickly move in to comfort the human. Their animal instinct drives them closer because they realize Ben is now meant for them. They watch over and protect the broken man, allowing him to mourn and grieve for the love he lost. Ever hopeful, they'll one day be able to claim what is theirs. Ben eventually senses their connection once the haze of despair begins to fade. Yet he cannot stop the guilt that causes from consuming him. He clings to the pain and memory of what was, instead of allowing himself to think of

what could be When Ben attempts to leave Bear Mountain behind his bears race to stop him He knows he has nothing left to give them and demands they let him go So Red and Quentin make him an offer he can go if he agrees to one night in their arms Can he possibly leave after that

Mated to Two Bears Kelex,2016-07-13 Game Warden Wade Travers is unwittingly pulled into the ongoing war between the werewolves and bear shifters when he is called in by local rangers to investigate the slaughter of animals Chased behind the wall protecting Bear Mountain he suddenly finds himself unable to leave and unable to stop thinking about the bear who saved him from the wolves Exiled Penn McCreary doesn't live by rules He remains close to watch over his brothers and keep the younger boys safe from the threat just outside the farm That puts him in the right place at the right time Playing the hero isn't Penn's normal MO but he can't ignore his mate in danger Penn doesn't take the answer no very well Wade will be his by whatever means necessary

A Marine for Two Bears Kelex,2016-08-24 With the werewolf issue still hanging over their heads Bear Mountain's alpha has tapped ex Marine Captain Deacon Jaquobi to come up with a plan for the valley's protection Deacon comes not so willingly but upon arrival he comes face to face with his fated mate Glenn Ashland is the valley's grocer A single father to two twenty somethings he's lived the last sixteen years mourning the deaths of his mates Until meeting Deacon romance wasn't even on his radar but he can't ignore the attraction he feels for the mysterious shifter Deacon has to pull out a full scale offensive to tempt Glenn closer but a wrench is thrown into the mix when Deacon learns he has a second mate Emmanuel How can he hold on to a skittish Glenn and seduce an omega at the same time And then there's the most important issue Dragons are only supposed to get one chance at love in their immortal life why is he getting two bears

Forbidden for Two Bears Kelex,2019-03-20 Their need to protect him is greater than their need to claim Life seems to have it out for Zachary Duchamps He's gone from foster home to foster home until he works his ass off to get into the University of Chicago hopeful to change his circumstances But when a side job brings him face to face with the paranormal he's abducted and sold to the highest bidder Finally able to escape years later fate brings him from one nightmare to another When the battered exhausted human shows up at their door bear shifters Chase and LJ rush to protect Zach from whatever demons are chasing him They immediately scent the man is theirs but after all he's been through they hold back the instinctual need roaring in their blood Zach's finally safe in Bear Mountain but there are two shifters outside the walls demanding they are the human's mates and that he be returned to them Can Chase and LJ with the help of a whole community keep Zach safe from harm and prove to him that not all shifters are monsters And can Zach let go of his past and embrace his future

One Wild Omega: An MPREG Omegaverse Book Kelex,2019-11-13 From the first moment they met Tanner McCreary and Fitz Walker have always had a love hate relationship One that bordered more on the latter much to the chagrin of Tanner who knew from first glance that Fitz was his alpha For some reason Fitz acted like he wanted absolutely nothing to do with him Even with the scent masking drug Scentex keeping them free an omega's alphas always seemed to sense something in the air when close But that wasn't the case with Fitz So Tanner backed off licked his

wounds and figured fate would lead them back together someday Maybe then things would be different Someday came but only made the situation worse Tanner learned they shared a close friend in common another omega one Fitz eventually bedded Brokenhearted Tanner was sure the gods fate or whoever was in charge of binding an alpha and an omega together had gotten it very very wrong His mate wasn't the one apparently Tanner lied to himself saying he didn't care and kept his secret close When the truth finally emerges Fitz knows he has mountains to climb to make things right and even that might not be enough ____ This book is part of Kelex's Omegaverse there are two series based in the same world The Omega Quadrant His Surrogate Omega 1 Unexpected Heat An Omegaverse Short 1 5 Suddenly His Alpha An Omegaverse Short 1 9 His Reluctant Omega 2 Coming Soon Alphas of the Western Provinces One Wild Heat 1 One Wild Omega 2 Title TBD 3 Coming Soon

Digital Play Stephen Kline, Nick Dyer-Witheford, Greig De Peuter, 2003 In a marketplace that demands perpetual upgrades the survival of interactive play ultimately depends on the adroit management of negotiations between game producers and youthful consumers of this new medium The authors suggest a model of expansion that encompasses technological innovation game design and marketing practices Their case study of video gaming exposes fundamental tensions between the opposing forces of continuity and change in the information economy between the play culture of gaming and the spectator culture of television the dynamism of interactive media and the increasingly homogeneous mass mediated cultural marketplace and emerging flexible post Fordist management strategies and the surviving techniques of mass mediated marketing Digital Play suggests a future not of democratizing wired capitalism but instead of continuing tensions between access to and enclosure in technological innovation between inertia and diversity in popular culture markets and between commodification and free play in the cultural industries publisher description
