There she meets Tristan Monroe, but it isn't the first time they've met. In fact, Tristan and Evelyn were once in love. It was a love so strong that it shattered him when, after the three years they had spent together, she never came back to Laguna. Evelyn wants nothing more than to have her memories back. With the help of Tristan and his brother Drake, they take Evelyn on an emotional journey filled with videos, photos, and memorabilia, a walk down memory lane. While they stroll down memory lane, Evelyn must learn to deal with Tristan's rock star fame and the ever-present groupies. She struggles to find herself and to learn to love again. Is their love strong enough to overcome the memory loss? Is it strong enough to survive whatever comes their way? Will all the proof Tristan shares with her be enough to show her how deeply they loved each other? Will love find Evelyn once again?
