Lost Leaves Rebecca L. Copeland, 2000-06-01 Most Japanese literary historians have suggested that the Meiji Period 1868 1912 was devoid of women writers but for the brilliant exception of Higuchi Ichiyo 1872 1896 Rebecca Copeland challenges this claim by examining in detail the lives and literary careers of three of Ichiyo's peers each representative of the diversity and ingenuity of the period Miyake Kaho 1868 1944 Wakamatsu Shizuko 1864 1896 and Shimizu Shikin 1868 1933 In a carefully researched introduction Copeland establishes the context for the development of female literary expression She follows this with chapters on each of the women under consideration Miyake Kaho often regarded as the first woman writer of modern Japan offers readers a vision of the female vitality that is often overlooked when discussing the Meiji era Wakamatsu Shizuko the most prominent female translator of her time had a direct impact on the development of a modern written language for Japanese prose fiction Shimizu Shikin reminds readers of the struggle women endured in their efforts to balance their creative interests with their social roles Interspersed throughout are excerpts from works under discussion most never before translated offering an invaluable window into this forgotten world of women s writing Insights Frank Alan Dole, 2020-06-22 This book takes life lessons and observations from the world of the terminally ill and offers inspirational and instructional stories In this journey we call life there are always teachers and mentors who have gone before us and students who follow after us Picturing this concept I envision three people on a wooden bridge crossing a stream The position of these three people shows the one in front which would be the mentor one in the middle a student and also a mentor to the one following In the broader picture each person has another in front and another behind capturing the idea we are always a mentor teacher and always the student My heart's desire with these stories is to both illustrate this principle and honor those who mentored me The Dock of Broken Dreams Jack Edward Shay, 1999-11-12 The Dock of Broken Dreams is the story of the tragic intermingling of the lives of Peggy Shippen Peggy Chew John Andr and Benedict Arnold set amidst the background of the Revolutionary War Though cast in the form of a novel it results from more than a decade of careful research The White Mamaloi and Other Stories Morley Roberts, 1929 Collects half a dozen stories most never before published with fourteen page preface by author glancing retrospectively over his writing career One story deals with amnesia another with euthanasia Poor Christ is a dark and bitter tale about a preacher who loses his faith suddenly Heart Story Sonali Indu, 2022-01-18 Rohit left Kavya feeling heartbroken And then Gautam after a family catastrophe came into Kavya s life to save her from further tears When Gautam came to know from Kavya about what had happened to her he was unable to believe it Kavya and Gautam were happy with each other until one day Rohit joined Gautam's office Gautam told Kavya that Rohit had joined his office but Kavya was not able to believe that such a coincidence could happen Kavya broke up with Gautam Ragini came to rescue Kavya and Gautam's relationship and they got back together Rohit fell in love with Kavya once again but she did not want to be with him ever again Rohit's parents divorce was the reason behind him
