United States or Canada prior to 1860 *The Western Fruit Jobber*, 1922 **Eating Up Route 66** T. Lindsay Baker, 2022-10-13 From its designation in 1926 to the rise of the interstates nearly sixty years later Route 66 was in John Steinbeck's words America's Mother Road carrying countless travelers the 2 400 miles between Chicago and Los Angeles. Whoever they were adventurous motorists or Dustbowl migrants troops on military transports or passengers on buses vacationing families or a new breed of tourists these travelers had to eat. The story of where they stopped and what they found and of how these roadside offerings changed over time reveals twentieth century America on the move transforming the nation's cuisine culture and landscape along the way. Author T Lindsay Baker a glutton for authenticity drove the historic route or at least the 85 percent that remains intact in a four cylinder 1930 Ford station wagon. Sparing us the dust and bumps he takes us for a spin along Route 66 stopping to sample the fare at diners supper clubs and roadside stands and to describe how such venues came and went even offering kitchen tested recipes from historic eateries en route. Start ups that became such American fast food icons as McDonald's Dairy Queen Steak n Shake and Taco Bell feature alongside mom and pop diners with flocks of chickens out back and sit down restaurants with heirloom menus. Food and drink establishments from speakeasies to drive ins share the right of way with other attractions accommodations and challenges from the Whoopee Auto Coaster in Lyons Illinois to the piles of chat mining waste in the Tri State District of Missouri Kansas and Oklahoma to the perils of driving old automobiles over the Jericho Gap in the Texas Panhandle or Sitgreaves Pass in western Arizona. Describing options for the wealthy and the not so well heeled from hotel dining rooms to ice cream stands Baker also notes the particular travails African Americans faced at every turn traveling Route 66 across the decades of segregation legal and illegal. So grab your hat and your wallet you'll probably need cash and come along for an enlightening trip down America's memory lane a westward tour through the nation's heartland and history with all the trimmings via Route 66 **The American West in Bronze, 1850-1925** Thayer Tolles, Thomas B. Smith, 2013-01-14 The American West in Bronze 1850-1925 is the first full scale exhibition to explore the aesthetic and cultural impulses behind the creation of statuettes with American western themes which have been so popular with audiences then and now. Both the exhibition and this accompanying catalogue offer a fresh look at the multifaceted roles played by these sculptors in creating three dimensional interpretations of western life whether based on historical fact mythologized fiction or most often something in between. Examples by such archetypal representatives of the West as Frederic Remington and Charles M Russell are complemented by the work of sculptors such as James Earle Fraser and Paul Manship who contributed to the popularity of the American bronze statuette even though their western subjects were less frequent.
