Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure.

The WPA Guide to Florida

Federal Writers' Project, 2013-10-31. During the 1930s in the United States the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston and Ralph Ellison are among the more than 6,000 writers, editors, historians and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns and rich cultural details exhibit each state's unique flavor. In the 21st Century Florida is a major center for industry and tourism, however, published in 1939 the WPA Guide to Florida exhibits a rather rural and quiet state. This guide gives an interesting perspective on the Sunshine State before its explosive growth starting in the 1950s, focusing on the state's Seminole roots and Spanish influence as well as its lush, diverse landscape.

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Witness the Wonders in **Tampa Bay Apartment Guide** . This immersive experience, available for download in a PDF format (*), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
