London's Strangest Tales: Historic Royal Palaces Iain Spragg, 2014-05-23 London's Royal Palaces are still some of the most visited places in England. A great deal of their official histories are well known. But London's Strangest Tales: Historic Royal Palaces reveals the bizarre, funny, and surreal events and episodes that have occurred over the centuries on the grounds of these beautiful buildings. It gives an alternative history from the wandering inebriated zebras at the Tower of London, the cricket ball that probably killed a king, and the mystery of Kew's disappearing mosque. This is a wonderful collection for anyone with an interest in the history and heritage of our palaces and in London life generally.
