Target Citadel The Sam Austin Chronicles :

Target Citadel Robert Adrian,2014-12-30 Sam Austin s dream of colonizing a distant planet seems to have come true It s the twenty second century and Citadel an earthlike planet located light years from the original home of humanity is thriving The colony has survived an alien invasion and Austin hopes to move forward with peaceful intergalactic trade Back on Earth US president Courtney Harrington is losing ground in the polls In a ploy to improve public opinion she makes false claims against Austin and Citadel Harrington convinces the international community that Citadel has the technology and the intent to invade Earth So begins a fight between the old and new guards that could ignite war between the two planets Austin turns to his friends on Mars for help as his ships are captured by the National Security Authority Harrington will stop at nothing to reach her ends even if it means assassinating Austin and sacrificing the lives of millions of her own people Through it all the threat of alien invasion remains real Austin and his compatriots will need both military strength and diplomatic prowess to avoid a catastrophic conflict between Citadel and its mother planet Target Citadel is the anticipated sequel to Destination Citadel the first installment of Robert Adrian s Sam Austin Chronicles *Countdown Citadel* Robert Adrian,2016-06-21 Robert Adrian is back with Countdown Citadel the latest installment in the Sam Austin Chronicles Citadel a nation on a distant world founded by immortal former Apollo astronaut Sam Austin is thriving now that disgraced former US President Courtney Harrington and her followers are dead Harrington s threat that a hostile race of aliens would invade Citadel is no more allowing the nation to be settled and settlements to become permanent Citadel is also preparing to branch out to the nearby planet Shiloh But before they can a new group of people calling itself Phoenix joins the race to colonize the planet Phoenix claims to have the same technology as Citadel despite the latter s extreme technological secrecy Citadel ambassador J W Preacher tries to warn Austin about the approaching dangers but is too late Meanwhile other nations refuse to become involved in a dispute between Phoenix and Citadel Will the growing conflict consume Austin and his comrades before they truly learn just how dangerous Phoenix is *Forthcoming Books* Rose Arny,1994 **Subject Guide to Books in Print** ,1983 Religious Books and Serials in Print ,1982 Arts & Humanities Citation Index ,1997 **Destination Citadel** Robert Adrian,2014-09-07 Sam Austin has led a long and storied life He s been an Apollo astronaut and an inventor He s served as the president of the United States for ten nonconsecutive terms which should be impossible Then again Sam s an impossible individual he s over 180 years old and looks as hale and youthful as he did when he walked on the moon in the early 1970s The secret to Sam s longevity lies among the stars and it s to the stars his thoughts always return Sam s sunk his vast resources into the development of humanity s first functional faster than light propulsion system Now he and a few thousand brave souls prepare to reach Citadel an Earth like planet in a distant star system Citadel represents a great leap forward for mankind but quickly offers proof old villainies die hard When betrayal and a botched invasion lead the colonists to declare independence Sam finds himself the founding father of a new nation a nation the current US president vehemently

opposes As Citadel takes its first tentative steps toward statehood all eyes are on the planet Not all of them are friendly A few aren't even human

Checkmate Citadel Robert Adrian, 2015-11-30 Ageless astronaut Sam Austin and the settlers of the planet Citadel have a problem Former US President Courtney Harrington might be disgraced and convicted of war crimes but she remains a threat to the newly independent settlers Harrington's looking for the means to gain amnesty for the crimes she committed in Target Citadel and she thinks the very aliens that almost wiped out Citadel offer the chance she needs If she can secure advanced alien tech for human use she's confident she'll walk free Of course nothing comes without a price and the aliens want something in return Harrington's horrific deal offers up human beings as sacrificial lab rats Caught up in the deposed president's plot is Sara Albretti former transport captain and Citadel settler In the skies beyond Citadel's star system the long conflict between Harrington and Austin comes to a deadly conclusion At stake is the future of Citadel and possibly all of humanity The next chapter in Robert Adrian's Citadel series Checkmate Citadel continues Sam Austin's remarkable journey from astronaut to founding father of humanity's newest home a home under threat from alien and human alike
