American audiences very different insights into the Whoniverse and have met with varying degrees of success Whereas Torchwood became a U S U K co production The Sarah Jane Adventures was largely mismarketed To complicate matters the interrelationships that keep the Doctor Who franchise alive through radio dramas audiobooks comics novels etc during hiatuses in television broadcasts may give U S and U K audiences different understandings of the lead characters the Doctor Captain Jack Harkness and Sarah Jane Smith Although the past decade has been an exciting time in the Whoniverse the Doctor and the franchise are poised for yet another regeneration
