best selling author Lisa Chamberlain opens the door for newcomers to the Tarot in her trademark clear and straightforward manner. She dispels old myths and misconceptions about the Tarot providing an objective look at its origins and its divinatory potential for 21st century readers. Tailored especially for those who want to read the cards for themselves, this guide offers strategies for getting familiar with each card, a step by step breakdown of the process of a reading, options for tailoring the approach to suit your unique style, and advice for getting the most out of reading the cards for yourself. Most guides to the Tarot are centered on a specific deck such as the Waite Smith, the Tarot of Marseille, or other decks ranging from the well known to the rather obscure. While these books can be useful and informative, their card interpretations are largely restricted to the particular deck they focus on. *Tarot for Beginners* takes a different approach, offering basic card meanings that can be applied to any deck and used in tandem with any descriptions that accompany the deck you've chosen to work with. So no matter which Tarot deck you use, the information in this guide is relevant, providing a solid starting point for a skill you can carry with you for a lifetime.

Foundations in the Art of Divination

Tarot can be thought of as a kind of language through which we can hear and understand divine messages. This communication comes through the individual cards and through the symbolic system of the deck as a whole. *Tarot for Beginners* sets you up to learn this language with a thorough grounding in the key concepts surrounding the Tarot, including:

- The origins and evolution of the Tarot as a divinatory art
- A comprehensive overview of the Major, Minor, and Court Arcana
- Tips for choosing your first deck and getting acquainted with your cards
- Beginner tips and exercises for interpreting the cards
- Instructions for the basic 3 card spread and the 10 card Celtic Cross

two of the most widely used spreads in contemporary Tarot.

A step by step process for conducting Tarot readings

Advice on reading the cards for yourself

Core meanings of each card in the standard Tarot deck

The art of Tarot takes time and experience to master, and your willingness to study the cards, practice reading, and hone your intuition will be key to your development as a Tarot reader.
