Palestine Exploration Fund,1896 Nineveh and Persepolis: an Historical Sketch of Ancient Assyria and Persia William
Sandys Wright Vaux,1855 *The Relationship Guide to Make Him or Her Commit* Julius F. Rafael,2013-08-01 The Master
Love Collection the Relationship Guide to make him or her commit is a collection of short poems followed by a complete
explanation that truly explains how to get him or her to commit Each poem is a unique piece of work that has been recited
throughout the United States and each poetic piece can be used to help gain commitment points This book covers but not
limited to the cheating man how to approach a woman and how to sexually satisfy her This book is not intended to be read in
chronological order because it touches on several different relational topics For example the reader can skip to the end of the
book and visit the Woman s Sport Cheat Sheet This Cheat Sheet explains why men love sports and it also explains how a
woman can use sports to gain commitment points from the man she is dating The Woman s Sport Cheat Sheet explains his
sport in plain English Upon dating several women Julius has decided to write this book and introduce strategies and methods
that can be used to make a relationship flourish After being with a woman for more than a decade and never fully committing
he finally figured out why he did not commit to her In his book he mentions several reasons why he and other men such as
himself don t want to fully commit Before changing is ways Julius dated 100 s of women and upon dating them he discovered
what they want These women have been either single or married In his book he also list several ways to sexually satisfy a
woman by using his Top Ten Sex positions that s guaranteed to make her have an orgasm Upon reading this book the reader
will discover that this book is unlike any other because not only does he speak to men he also speaks to women by telling
them how to get the opposite sex to commit *Women and Romanticism* 5V Roxanne Eberle,2022-07-30 Demonstrating the
breadth and scope of women s writing in the Romantic period this collection covers a variety of topics ranging across
polemical treatises private correspondence philosophical and historical disquisitions and poetry and prose fiction Helping to
contextualise the areas discussed the collection includes a general introduction by the editor which traces the history of
criticism in the field and thus current definitions of Women and Romanticism before going on to discuss the contents of each
volume **The Ideology of Conduct (Routledge Revivals)** Nancy Armstrong,Leonard Tennenhouse,2014-06-17 In The
Ideology of Conduct first published in 1987 scholars from various fields from the medieval period to the present day discuss
literature in which the sole purpose is to instruct women in how to make themselves desirable This collection investigates
how middle class writers who had long emulated the behaviour of the aristocracy began to criticise that behaviour by
formulating an alternative object of desire They did so without appearing to breed political controversy because it seemed to
concern only the female But writing for and about women in fact became a powerful instrument of hegemony as it introduced
a whole new vocabulary for social relations induced certain forms of economic behaviour as desirable in men and women

respectively and insured the reproduction of the nuclear family It is argued therefore that the literature of conduct not only recorded but also assisted the production of our contemporary gender based culture “A” *Rough Sketch of Modern Paris;*.
