law enforcement officials His bizarre scamper through Europe as a fugitive would ultimately climax in a German hotel room Frankel's world was peopled with desperate businessmen well-heeled con artists women looking for love vindictive husbands diamond merchants private eyes the whole colorful cast of characters that propelled this fast-moving drama The Pretender is filled with countless revelations from business associates and former lovers many of whom were interviewed for the first time for this book What finally makes The Pretender so compelling is that it is a snapshot of a peculiar moment in business history Just as figures like Ivan Boesky and Michael Milken epitomized the deal-crazed eighties Martin Frankel is the quintessential criminal of the millionaire-a-minute nineties
