**Campfire Stories: Chilling Philippine Tales from the Edge - Volume 1** Angela Atienza, DyslexicParanoia, 2025-06-23

Campfire Stories Chilling Philippine Tales from the Edge Volume 1 Step into the dark where the line between real and imagined disappears and where the stories don't just scare they stay. In this first volume of Campfire Stories tales 001 to 025 take you deep into the eerie heart of Filipino horror. Inspired by absolute urban legends and whispered dorm room confessions each story is a chilling reminder that some places remember, some voices linger and some shadows move even when you're sure you're alone. You'll encounter elevators that skip floors, no one dares speak of roommates who appear in mirrors but not on enrollment lists. Late night radio shows that continue long after the station was shut down. And sleep paralysis episodes that leave behind bruises and worse. These stories don't just ask you to believe. They dare you to doubt everything you thought was safe: your room, your school, your memory. Because once the tale is told, something always listens back. So pull up a seat by the fire. The flames might keep you warm but they won't keep you safe. Dare to listen. But don't turn around. Something might be waiting.

**Campfire Stories: Chilling Philippine Tales from the Edge - Volume 3** Angela Atienza, DyslexicParanoia, Campfire Stories Chilling Philippine Tales from the Edge Volume 3 The deeper you go the harder it is to climb back out. In Campfire Stories Tales 051-075 the line between memory and nightmare begins to blur. This third volume leads you through twenty-five chilling accounts set in crumbling hotels, abandoned schools, provincial roads, and rented rooms that never feel pretty empty. Here the familiar becomes sinister. A hotel guest wakes to find someone else's memories in her head. A driver passes the same hitchhiker three nights in a row, each time closer to home. A child's drawing predicts a death no one sees coming. These stories don't scream. They whisper. They don't chase. They wait. Drawn from the dark pulse of Filipino urban legends, late night online confessions, and the quiet terror of things left unsaid, this volume asks: What if the horror was never out there but already inside you? Because the scariest thing may not be the ghost in the hallway, it may be the reason it came. You thought you were reading. But now the story has you.

*Beyond Reality's Edge - Volume 1* B.A. Chapman, 2025-02-09 Breanna never expected her ordinary life to take a turn into the extraordinary. On the cusp of a major career move, she steps through a door in Los Angeles only to find herself on another planet in a different galaxy. Confronted by the impossible, she stumbles into Lemuria, the fabled Cloud City from a long forgotten sci-fi series she adored. But this is no mere TV show; it's real, and so are the dangers that lurk in the shadows of this ancient alien world. As she struggles to understand her place in this unfamiliar reality, she must navigate a world where wormholes are real, alien civilizations thrive, and destiny is far more complicated than she ever imagined. But she's not alone. There's Rylo Dax, the warrior she fell for decades ago through a television screen. And somehow, impossibly, he's real too. As passion ignites and destiny weaves their fates tighter, Breanna faces a heartbreaking question: was she brought here for a reason, or is she a threat to their very existence? With her knowledge of the future, Breanna may hold the key to saving them all if she can.

Monteleone, 2018-11-17 It's hard to believe but this anthology first appeared 28 years ago. In re-reading the stories in this gathering of the weirdest tales I am also reminded of how strikingly fresh and original the material remains. As its title implies, *Borderlands* contains fiction that resides out there on the edge on the perimeter of what's being done in the field of horror, dark fantasy, and suspense literature. When I solicited material for what I hope will be the first of many volumes I made it clear I didn't want stories that employed any of the traditional symbols and images of the genre. I wanted writers to expand the envelope to look beyond the usual metaphors and bring me something new. Some fresh meat so to speak. So dig in. Stories by David B. Silva, Nancy Holder, John DeChancie, Francis J. Matozzo, Bentley Little, Darrel Schweitzer, Michael Green, Poppy Z. Brite, Jeffrey Osier, John Shirley, Lee Moler, Nina Kiki Hoffman, T. E. D. Klein, Chet Williamson, Ed Gorman, Jack Hunter, Daves Jr., Thomas Tessier, Les Daniels, David B. Silva, Karl Edward Wagner, Elizabeth Massie, Charles L. Grant, G. Wayne Miller, Joe R. Lansdale. *Collected Short Stories: Volume 1* W. Somerset Maugham, 1992-09-01 These 30 short stories comprising Somerset Maugham's first collection are set in locations ranging from England, France, and Spain to the silver sands of the South Pacific.
