Tales From The Hearth A Collection Of Short Stories:

Tales from the Hearth Eleanor Edmonson, 2014-11-02 A collection of short stories told in the Irish Celtic Northern European tradition of the hearthside tale These were personal stories that spoke of magic and of history they helped the people get through the harsh time of Small Sun *Wild Tales* Nikolai Haitov, 2014-07-01 Haitov's tales are set in the small villages of the Rhodope Mountains in south east Bulgaria one of the most remote corners of Europe They are related in a robust down to earth style by a series of finely realized narrators most of whom look back to the early years of this century and beyond when brides were stolen and bandits roamed the hills These men shepherds shoemakers coopers and foresters speak to the reader directly involving him in their triumphs their disappointments their exploits in love or in business Each has a tale to tell and tells it superbly indeed so vivid and engrossing are their stories and such is the skill with which Haitov utilizes the rhythms and idioms of colloquial speech that one seems to be actually listening to rather than reading these stirring tales of those far off days when men were men This collection superbly translated by Michael Holman reveals Nikolai Haitov as one of the contemporary masters of the short story form and provides an ideal introduction to the little known literature of Bulgaria

dynamics and cultural encounters in this fascinating yet tumultuous period Rudyard Kipling born in India in 1865 and raised in England was profoundly influenced by his early experiences in the subcontinent His return as a journalist and author brought forth an acute awareness of the colonial landscape as highlighted in his works Kipling's nuanced portrayal of both British expatriates and Indian locals exemplifies his unique position as a writer who straddled two worlds allowing him to address complex themes of identity morality and imperialism with remarkable clarity and empathy Plain Tales from the Hills is an essential read for those interested in colonial literature cultural history and the intricate fabric of life in India during British rule Kipling's ability to weave humor with pathos ensures that every story resonates with readers inviting them to explore a vibrant yet contested world that continues to shape cultural understandings today **Tales from the Hearth** Lise Christofferson,2019-03-04 This is an eclectic collection of short stories of magical realism and realism both historical and modern Stories are the lifeblood of human interaction We share stories of our workplace our loved ones our histories and of our imagination In the sharing of stories we get to know one another we bond or we separate Many of these stories will be similar to your imaginings and interests as your stories are similar to mine The Columbia Guide to the Literatures of Eastern Europe Since 1945 Harold B. Segel,2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers Marked by not only geographical proximity but also by the shared experience of communism and its collapse the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers **British Short Fiction in the Early Nineteenth Century** Tim Killick,2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving's hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self-conscious intentionally modern form with its own techniques and imperatives separate from those of the novel **Tales from the Hearth** Lise Christofferson,2019-03-04 This is a collection of short stories told in the Irish Celtic Northern European style of hearth side tales Our ancestors were full of magical and unique experiences and Tales from the Hearth celebrates the openness of their lives The sharing of stories
