Tales Of Troy And Greece Illustrated English Edition:

Tales of Troy and Greece Andrew Lang, 2021-03-16 *Tales Of Troy And Greece* Andrew Lang, 2012 Perhaps there are some who will think we as a publisher are overexacting in our demands for children's literature. Many of Dr Church's adaptations have come to us and we cannot claim that they have added much to our respect for Homer. We always feel that we are backed up when we declare that in this retelling process the large ruggedness which rightfully belongs to the classic is lost in the mild care we take of the sensitiveness of children. One is immediately drawn to *Tales of Troy and Greece*. Mr Lang treats of Ulysses, Menelaus, Theseus, Perseus and puts into his text more substance than is found in the ordinary adaptation or rewritten classic. Contents: Ulysses, The Sacker Of Cities, The Wanderings Of Ulysses, The Fleece Of Gold, Theseus, Perseus. This book is fully illustrated and annotated with a rare extensive biographical sketch of the author. Andrew Lang, written by Sir Edmund Gosse, C.B., a contemporary poet and writer. *Tales of Troy and Greece* Andrew Lang, 2018-04-26 Andrew Lang draws on his classical learning to recount the Homeric legend of the wars between the Greeks and the Trojans. Paris, Helen of Troy, Achilles, Hector, Ulysses, the Amazons and the Wooden Horse all figure in this magical introduction to one of the greatest legends ever told. Superbly illustrated by H. J. Ford, Lang draws masterfully upon his classical training to bring to life some of the central stories of Greek mythology. Readers will follow the exciting adventures of Ulysses from his boyhood through his perilous return from the Trojan War, meet the lovely Helen of Troy, hear about the amazing Trojan horse, join Jason on his determined quest for the Golden Fleece, encounter the fierce beautiful Amazons and learn about the legendary deeds of other remarkable Greek heroes. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand-curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience. *A.L.A.
