open heart as she courageously heeds her soul's insistence and clears away her legacy of trauma from both infant sexual abuse and incest. Born into both emotional and economic poverty, Anne's early life consisted of only obstacles and challenges. But she never gave up and she continually trusted in her own guidance, being rewarded with insight and wisdom. Whenever it felt like her life was not flowing, she took that as a sign that it was time to do more healing, clearing away the trauma that lay embedded deep in cellular memory. Anne's story speaks to the gift of grace and the indomitable courage of the human heart. As Anne continued to heal, she discovered many essential truths about life among them that we are never given something we cannot handle; that life is about manifesting the deepest desires of our hearts; and that the thing we most fear is our own greatness.

Beach House Wedding Cora Seton, 2022-03-08 Penelope Rider has transformed her uncle's utilitarian beach house in Seahaven into a beautiful venue for intimate weddings, but she's struggling to promote her new venture and her money is running out. When she offers a steep discount to a social media celebrity who books the house for her ceremony reception and the week leading up to her big day, Penelope hopes she's finally gotten the break she needs until a handsome stranger shows up claiming he booked the house over a year ago for a fishing vacation that same week. It's been a rough year for Weston Abbott, the fourth West to his friends. Just when he's ready to start his own fishing charter business, his parents boot his sister from the family telecommunications business and demand West step in as CEO. Right now, he's agreed to take on the job but not until after one last fishing trip with his favorite guide. He's come back to Seahaven every year for a decade but when he arrives this time, he finds Fisherman's Point is now Edgecliff Manor and a stranger is running the show. A very pretty stranger. She's filled his quiet getaway with a raucous wedding party and she claims she knows nothing of his longstanding booking. Penelope can't believe there's an outstanding reservation left from her uncle's fishing charter days. She's got only one room left to offer West: the spare bedroom in her attic apartment. When he asks if there's any way she can take him fishing on her uncle's old boat, it's hard to say no when one bad review could tank her business. Now she's fishing in the morning and dealing with a bridezilla and her entourage the rest of the day. Can she possibly pull this off? Or will she lose the beach house she loves so much.

The Motherland of Elephants Max Fram, 2015 Russia is the motherland of elephants, this phrase from a Soviet-era anecdote, a peculiar genre of Russian jokes often political or obscene or both, takes the mickey out of historical propaganda. The phrase is symbolic of the somewhat light-hearted approach to history which is quintessential to this book. This is not an official history but a series of sketches, often humorous, on various aspects of Russian life over the centuries: people, institutions, natural and political phenomena, and local products of interest. The book also offers glimpses of Russia's historical relations with the West, chequered, complex, and fraught with chronic mutual misunderstanding.
