## **Taming The Tongue The Power Of Spoken Words:**

**Taming the Tongue: The Power of Spoken Words** Alex Uwajeh, 2015-11-02 The words you use are tools of communication. However, it's the way you use them that has the real power. When you have an optimistic frame of mind, you're far more likely to recognize opportunities when they arise. The tongue has the power of life and death, and those who love it will eat its fruit. For as a man thinketh in his heart, so is he. The way you use and choose words defines who you are. Words have power. God created the world with words. The Bible plainly says we shall decree a thing, and it shall be established. Are you ready to harness the real power of spoken words?

**The Power of Positive Affirmations: Each Day a New Beginning** Alex Uwajeh, 2015-11-02 The Power of Positive Affirmations, Each Day a New Beginning. Please Note: This book contains Bible references. Did you know that focusing on the negative aspects of things could actually make more negative things appear in your life? If you're serious about living a happy, healthy, and abundant life, the key is to change your thoughts. Take control of those negative thoughts and emotions and turn them around. Find affirmations that help you stick to a positive frame of mind, and then repeat them until you feel more confident about them. It makes no difference what aspect of your life you consider; there's always something to be grateful for. For the word of God is living and powerful and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discernor of the thoughts and intents of the heart. Hebrews 4:12 New King James Version. God bless you. **Why I Take the Bible Seriously But Not Literally** Eugene C. Rollins, 2013 As a pastor I have a dual role that of a prophet and a priest The prophet confronts the people and the priest comforts the people I am to comfort the troubled and trouble the comfortable In relationship to the Bible the dual struggle is clear As the priest I take the Bible seriously because it changes lives first sermon I have never heard anyone give testimony that reading Plato s The Republic Virgil s Aeneid Homer s Odyssey Cicero s Moral Ethics or John Stewart Mill s Liberty changed their lives But thousands of people have given testimony of how reading the Bible has changed their lives forever As the prophet I propose to you that no book has been more abused than the Bible or more misunderstood The Bible has been a playground for lunatics profit for the charlatans a profession for the clergy a problem for theologians a puzzle for the general public and placid for the masses I believe if a person will read the Bible interpretatively and intelligently it will be read seriously respectfully and reverently thereby becoming the living word of God Gene Rollins Author
